

The background image is a dark, industrial interior, possibly a warehouse or a large room. A single spotlight from the ceiling illuminates a circular area on the floor. In the foreground, there are some papers and a dark object on the floor. In the background, there are some wooden crates or boxes on the left and a large window or door on the right. The overall atmosphere is mysterious and somber.

*How the West Became Antisemitic* Ivan G. Marcus, 2025-08-05 An examination of how the Jews real and imagined so challenged the Christian majority in medieval Europe that it became a society that was religiously and culturally antisemitic in new ways In medieval Europe Jews were not passive victims of the Christian community as is often assumed but rather were startlingly assertive forming a Jewish civilization within Latin Christian society Both Jews and Christians considered themselves to be God s chosen people These dueling claims fueled the rise of both cultures as they became rivals for supremacy In *How the West Became Antisemitic* Ivan Marcus shows how Christian and Jewish competition in medieval Europe laid the foundation for modern antisemitism Marcus explains that Jews accepted Christians as misguided practitioners of their ancestral customs but regarded Christianity as idolatry Christians on the other hand looked at Jews themselves not Judaism as despised They directed their hatred at a real and imagined Jew theoretically subordinate but sometimes assertive an implacable enemy within In their view Jews were permanently and physically Jewish impossible to convert to Christianity Thus Christians came to hate Jews first for religious reasons and eventually for racial ones Even when Jews no longer lived among them medieval Christians could not forget their former neighbors Modern antisemitism based on the imagined Jew as powerful and world dominating is a transformation of this medieval hatred A sweeping and well documented history of the rivalry between Jewish and Christian civilizations during the making of Europe *How the West Became Antisemitic* is an ambitious new interpretation of the medieval world and its impact on modernity *The Greatest Works of French Literature (English Edition)* Charles Baudelaire, George Sand, Anatole France, Molière, Voltaire, Stendhal, Émile Zola, Alexandre Dumas, Alexandre Dumas fils, Jules Verne, Victor Hugo, Marcel Proust, Guy de Maupassant, Jean-Jacques Rousseau, Jean Racine, François Rabelais, Gustave Flaubert, Gaston Leroux, Pierre Corneille, Pierre Choderlos de Laclos, 2020-12-17 This unique collection of the greatest French classics books has been designed and formatted to the highest digital standards A History of French Literature François Rabelais Gargantua and Pantagruel Molière Tartuffe or the Hypocrite The Misanthrope The Miser The Imaginary Invalid The Impostures of Scapin Jean Racine Phaedra Pierre Corneille The Cid Voltaire Candide Zadig Micromégas The Huron A Philosophical Dictionary Jean Jacques Rousseau Confessions Emile The Social Contract De Laclos Dangerous Liaisons Stendhal *The Koran: ...
