John Lake Healing Manual:

BRINGING DOWN STRONGHOLDS IN YOUR FAMILY AND SETTING THE CAPTIVES FREE! Joyce Simmons, 2020

Growing up in a house where alcohol fighting and adultery by a parent was not a recipe for success but God Being a runner from the age of 5 years old from fear self hatred of your parent s and hatred of life led me to drop out of high school to have a child I wanted someone to love and someone to love me back Moving on to drugs alcohol living on park benches in New York for over a year and one relationship after another led to a life of pure hell Here you will learn How fear manifested in me for over 50 years How my ancestor s and my trials were passed on generationally How God showed up and saved my life How my children my grandchildren family are overcoming How my family went from curses to blessings If God showed up for me He will show up for you Test Him read on

And The Church Is Silent Pastor Tim Morstatter, There is a growing liberal wing of the Church even in Evangelical denominations whose leaders are choosing to side with movements that align themselves more with the enemy rather than with the Father In the last 10 years the situation has escalated to the point where many church leaders are being deceived by cultural anti Christ forces In a sense the world has had more influence on the Church than the Church has had on the world These forces would like nothing better than to have a Silent Powerless and Compliant Church that will Know Nothing See Nothing and Say Nothing They are parading popular cultural trends dressed up in scripture before unsuspecting people who accept it all as Biblical Truth The Church has been Silent for way too long and because of that the people no longer recognize the difference The body of Christ needs to Stand Up and Speak Out The Church needs to operate in the Authority and Power given to us by Jesus Himself We can No Longer remain Silent It is time for the body of Christ to Re comprehend become Re aware Re discover her actual identity and along with it the authority that Jesus gave to that body to rule over satan and all of his minions We need to Re claim everything just as Jesus did as He ripped the gates off the hinges in hell when He reclaimed what God had given to Adam and Eve when He made them the ones to have dominion over all the earth all the animals and to be the ultimate earthly authority subject only to Him It is time to LET THE LION ROAR

The X-Manual Peter J. Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument

that helps determine if one needs deliverance Deliverance is essential to the church's New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free

What to do and NOT to do when healing isn't instant **Missing the Child You Love** H. Norman DMin Wright, 2014-04-18
One of the most devastating losses a family can experience is the loss of a child. Whether the loss is through illness, accident, drugs, suicide, or other tragedy, the pain is overwhelming and often paralyzing. Often we think of loss as death. However, in our broken world, there are many ways to suffer the loss of a child. This book discusses how a family can learn to cope with loss of a child due not only to death but also to a custody battle, addiction, and other choices a child makes: chronic illness, crime, human trafficking, kidnap, and other issues where hopes and dreams disappear. Wright helps readers through the grieving process and assists them in finding God's grace and comfort during this very difficult time of life. This book is unique as it is for parents as well as grandparents.
