A Dictionary of Christian Biography, Literature, Sects and Doctrines Being a Continuation of the Dictionary of the Bible William Smith, 1882 "Biography, Identity and the Modern Interior " Penny Sparke, 2017-07-05 Through a series of case studies from the mid eighteenth century to the start of the twenty first this collection of essays considers the historical insights that ethno auto biographical investigations into the lives of individuals groups and interiors can offer design and architectural historians Established scholars and emerging researchers shed light on the methodological issues that arise from the use of these sources to explore the history of the interior as a site in which everyday life is experienced

and performed and the ways in which contemporary architects and interior designers draw on personal and collective histories in their practice Historians and theorists working within a range of disciplinary contexts and historiographical traditions are turning to biography as means of exploring and accounting for social cultural and material change and this volume reflects that turn representing the fields of architectural and design history social history literary history creative writing and design practice Topics include masters and servants in eighteenth century English kitchens the lost interiors of Oscar Wilde s House Beautiful Elsa Schiaparelli s Surrealist spaces Jean Genet outlaws and the interiors of marginality and architect Lina Bo Bardi s Glass House S Paulo Brazil

Sturtevant** Julian Monson Sturtevant, 1896 *Isaac Julien: Riot* Isaac Julien, Cynthia Rose, Giuliana Bruno, Paul Gilroy, 2013 Riot is an intellectual and professional autobiography of the British artist and filmmaker Isaac Julien whose trail blazing career has moved through forms of documentary biography dance narrative film and multiscreen installation Both visually sensuous and politically and socially engaged Julien s films draw on influence as disparate as silent cinema cultural studies news stories Chinese myth and popular music

The Only Girl in the World Maude Julien, 2017-12-12 For readers of Room and The Glass Castle an astonishing memoir of one woman s rise above an unimaginable childhood Maude Julien s parents were fanatics who believed it was their sacred duty to turn her into the ultimate survivor raising her in isolation tyrannizing her childhood and subjecting her to endless drills designed to eliminate weakness Maude learned to hold an electric fence for minutes without flinching and to sit perfectly still in a rat infested cellar all night long her mother sewed bells onto her clothes that would give her away if she moved She endured a life without heat hot water adequate food friendship or any kind of affectionate treatment But Maude s parents could not rule her inner life Befriending the animals on the lonely estate as well as the characters in the novels she read in secret young Maude nurtured in herself the compassion and love that her parents forbid as weak And when after more than a decade an outsider managed to penetrate her family s paranoid world Maude seized her opportunity By turns horrifying and magical *The Only Girl in the World* is a story that will grip you from the first page and leave you spellbound a chilling exploration of psychological control that ends with a glorious escape

Julian Assange: The Unauthorised Autobiography Julian Assange, 2011-09-22 In December 2010 Julian Assange signed a contract with Canongate Books to write a book part memoir part manifesto for publication the following year At the time Julian said I hope this book will become one of the unifying documents of our generation In this highly personal work I explain our global struggle to force a new relationship between the people and their governments In the end the work was to prove too personal Despite sitting for more than fifty hours of taped interviews discussing his life and the work of WikiLeaks with the writer he had enlisted to help him Julian became increasingly troubled by the thought of publishing an autobiography After reading the first draft of the book at the end of March Julian declared All memoir is prostitution In June 2011 with thirty eight publishing houses around the world

committed to releasing the book Julian told us he wanted to cancel his contract We disagree with Julian s assessment of the book We believe it explains both the man and his work underlining his commitment to the truth Julian always claimed the book was well written we agree and this also encouraged us to make the book available to readers And the contract By the time Julian wanted to cancel the deal he had already used the advance money to settle his legal bills So the contract still stands We have decided to honour it and to publish This book is the unauthorised first draft It is passionate provocative and opinionated like its author It fulfils the promise of the original proposal and we are proud to publish it Canongate Books September 2011
