Cantore, Stone Black is on the brink of destruction and Delilah's heart threatens to tear her and Jackson Stone apart. They face a clever foe and their own demons. Will he finally take off his mask and give his heart to her? Or is it truly over between them? This is the eighth and final part of the Billionaire Boss series by Emily Cantore and is 7750 words long. EXCERPT: They say the only thing worse than not getting what you want is getting what you want. Well, I had wanted Stone Black destroyed. I'd studied the owners and seen pictures of Mr Stone and swore that I would do my best to take him and his company down. Then I'd met him. Then I'd fallen for him. And I'd found that he wasn't the culprit. But still, Stone Black was going to be destroyed. And there I was, wrapped in a towel, still dripping water, on to an expensive carpet, a length of rope in my hands that had very recently been used to bind me, and my boss Mr Jackson Stone in front of me, his eyes mirroring doubt, creeping like a poison through his body. I would never. I began. Normally Mr Stone was in control of his emotions. He had his standard Mr Stone face, flat and unreadable, and this was the one he showed the world. It was his mask, and he had worn it so long it had become him. But now there was no mask. He was furious. He let go of the phone and took two steps across the room to stand in front of me. Was this it? I was about to be fired and thrown out while wearing a towel. By a gorgeous man wearing a towel. Mr Stone slipped the coiled rope from my hands and placed it on the carpet beside him. Then he stroked his fingers up my arm until they came to rest on my collar. Even after all we've been through, you still don't trust me, he stated. I do trust you. It's just how this looks. The files gone, and I asked you to come here. You don't trust my feelings about you. That I'm fickle, or that I'll suspect you're lying to me, and it's all over, even without any proof. *Daddy's Bad Girl* S.E. Law, 2025-08-21. Emma, I hate school. College drives me crazy with its endless tests and even more endless studying. So I relieve the tension by having fun at Club Z. It's not a terrible arrangement, and I happen to adore handsome older men. But one particular billionaire has his sights set on me. He's got broad shoulders like a tank, piercing blue eyes, and a tool so massive that I'm lifted onto my tippytoes when we're together. Did you know that was even possible? But most of all, Mr Blackshaw says that he'll satisfy my naughty cravings by lifting me up and dropping me down while I stretch, creaming with ecstasy, so long as I promise to be Daddy's Bad Girl. Logan, the curvy girl, she's got a craving for huge size. She doesn't know it because it's a subconscious desire. She doesn't acknowledge it either because Emma still thinks of herself as a young, innocent, and sweet little student. But it's time for the blinders to come off and the truth to come out because I'm just the man to satisfy her cravings with my massive size. Have you ever had an itch for THICK and BIG, and didn't even know it? Did you twist in bed, pressing your thighs together while a sweet ache developed? Well, that's what happens to our heroine Emma, except she's got a depraved billionaire who's more than happy to teach her about her body's own needs and desires. What can I say? Emma Kincaid is a lucky, lucky girl. As usual, strap on your seatbelts because you're in for a wild ride where your hair will be blown back as your insides squeeze tight. This book is a follow-up to *Daddy's Good Girl*, but all of my stories are standalones and may be read in any order. HEA guaranteed.
