My Best Friends Life:

Four Seasons Chris Widener, 2022-11-29 Are you prepared for the inevitable At some point in your life you will contemplate the end and question what it is like to depart from the only thing you've known Hesitation and uncertainty might consume you to the core or a sensation of comfort and contentment will set you free In Four Seasons Chris Widener shares the relatable journey of Jonathan Blake and his family through a year in their life confronted with unavoidable tragedy After he is diagnosed with cancer Jonathan reflects on the growth of his children watching them take life into their own hands and create light in the darkest of times The Blakes encounter the grandest of joys through the celebrations marking the passing of special events as well as the withering burden of the painful paths we are all expected to travel at different times With life coming to a halt he cherishes every waking moment and doesn't allow fate to slow him down or hold him back from making change Honest and heartfelt delicate and intense Four Seasons is both a beautiful celebration and a shocking aftermath The four seasons of life are guaranteed they will come eventually to everyone This is the story of how the four seasons came to one family and how they lived through them with courage strength and purpose Jonathan's journey reminds us that there is a balance in life celebrating the joys it brings and the sorrows of death Now it's up to you will you take your turn putting yourself in someone else's shoes visualizing life through the perspective of another Are you ready to see a glimpse of reality
