Bahá'í Ethics in Light of Scripture: Virtues and divine commandments Udo Schaefer,2007 There is a fundamental discrepancy between man as he is and man as he could be if only he recognized his true being and purpose Ethics is the discipline by which man can understand how he can pass from the first condition to the second Udo Schaefer s Baha i Ethics

in Light of Scripture is an attempt to analyse the underlying structures and detect the interior architecture of the Baha i moral system and is a step towards developing a Baha i moral theology Doctrinal Fundamentals the first of two volumes provides a historical overview of the Baha i Faith a systematic survey of its doctrines and an overview of the origin and derivation of moral values It considers the metaphysical nature of human beings and human responsibilities looks at reason and conscience and explores liberty and its limits Schaefer s second volume deals with concrete values the virtues divine commandments and principles of social ethics from a Baha i perspective *Holman Illustrated Pocket Bible Handbook* Holman Bible Editorial,Holman Bible Editorial Staff,2004-10 Providing an overview of each book of the Bible including key verses a one sentence summary of the book and background information that sets the context for understanding the book this compact handbook is full color throughout with photographs maps reconstructions and charts **Now Behold...The Ancient of Days** T.J. Collins,2002-12 [Israel and the Covenants in New Testament Times](#) Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that *Proceedings of the International Conference on Law, Public Policy, and Human Rights (ICLaPH 2023)* Armansyah Armansyah,Ujang Badru Jaman,2024-08-21 This is an open access book Welcome to the 4th International Conference on Law Public Policy and Human
