Online File Sharing Jonas Andersson Schwarz, 2013-09-05 It is apparent that file sharing on the Internet has become an emerging norm of media consumption especially among young people This book provides a critical perspective on this phenomenon exploring issues related to file sharing downloading peer to peer networks piracy and not least policy issues regarding these practices Andersson Schwartz critically engages with the justificatory discourses of the actual file sharers taking Sweden as a geographic focus By focusing on the example of Sweden home to both The Pirate Bay and Spotify he provides a unique insight into a mentality that drives both innovation and deviance and accommodates sharing in both its unadulterated and its compliant business friendly forms
