Athenaeum and Literary Chronicle, 1884 **American Romanticism and the Marketplace** Michael T. Gilmore, 2010-02-15 This book can take its place on the shelf beside Henry Nash Smith s *Virgin Land* and Leo Marx s *The Machine in the Garden* Choice Gilmore demonstrates the profound sustained engagement with society embodied in the works of Emerson Hawthorne Thoreau and Melville In effect he relocates the American Renaissance where it properly belongs at the centre of a broad social economic and ideological movement from the Jacksonian era to the Civil War Basically Gilmore s argument concerns the writers participation in what Thoreau called the curse of trade He details their mixed resistance to and complicity in the burgeoning literary marketplace and by extension the entire economic revolution which between 1830 and 1860 transformed the United States into a market society The result is a model of literary historical revisionism Gilmore

s opening chapters on Emerson and Thoreau show that transcendental thought and language can come fully alive when understood within the material processes and ideological constraints of their time The remaining five chapters on Hawthorne and Melville contain some of the most penetrating recent commentaries on the aesthetic strategies of American Romantic fiction presented within and through some of the most astute thoughtful considerations I know of commodification and the democratic public in mid nineteenth century America Practically and methodologically American Romanticism and the Marketplace has a significant place in the movement towards a new American literary history It places Gilmore at the forefront of a new generation of critics who are not just reinterpreting familiar texts or discovering new texts to interpret but reshaping our ways of thinking about literature and culture Sacvan Bercovitch Times Literary Supplement Gilmore writes with energy clarity and wit The reader is enriched by this book William H Shurr American Literature **Catalogue of Printed Books in the Library of the British Museum** British Museum.
