A Handbook for Travellers. ... With Six Maps, Etc. [Edited by M. F. S.] Moses Forster SWEETSER,1876 *The Family Business in Tourism and Hospitality* Donald Getz,Jack Carlsen,Alison Morrison,2004-04-16 The family business is a global phenomenon and is particularly prominent in tourism and hospitality In many cases the family business was developed for the purpose of facilitating personal and family goals For example in rural areas farmers can use tourism as a way to generate additional income thereby remaining in the area and retaining family property Running a bed and breakfast establishment is a way to mix family and work Lifestyle locational and autonomy motives are the norm but profit and growth oriented entrepreneurs are also found within family businesses This book is the first academic treatment of family business issues

within the tourism and hospitality industry It provides comprehensive assessment of ownership management and family related concerns across the entire business and family life cycle Many new international case studies of real family businesses are used to illustrate key points The book will be of significant interest to researchers and students in tourism and hospitality small business and entrepreneurship studies as well as to owners and potential investors in family businesses
