Caught By My Professor (Student/Teacher First Time Taboo Erotica)

Jessica Whitethread,2014-10-03 Reader Advisory This story is for mature audiences only and features intensely erotic situations between an older man and a young woman taboo teacher student relations discipline spanking humiliation deflowering submissiveness and dominance All characters are 18 or older Rachel Stanton has always found ways of using her good looks to get ahead and when she arrives in college it doesn t look like that s going to have to change But her easy ride runs out when her professor Alex Cossaign notices her flirting with a classmate only to copy his course work The handsome

professor decides it s time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like Excerpt You know Professor I begin I understand why you have me cleaning the classroom I m really learning a lesson But as for talking to Brad I really don t understand why that s so necessary How do you know I don t like him I find myself blushing deeper crimson I mean he s not the single most handsome man I can think of I say but a girl s gotta take what she can get right Sometimes I just get lonely don t you I wince slightly as I hear the last words come out of my mouth That may have been taking it too far That s a very interesting perspective Rachel he says in a neutral voice But surely if you cared about him you wouldn t be manipulating him into giving you his work when he clearly didn t want to I let out an exaggerated sigh But Professor I say is it really that simple Sometimes you need something from someone and you re in a position to offer a sort of trade right A little affection to help get someone off the hook I ve definitely warmed to my audience This all has to be having an effect He sits back and considers me for a long moment taking me in all of me The blush in my cheeks deepens still further as I find myself suddenly a little bit self conscious What are you doing Rachel he asks Why do you think it s appropriate to act this way Or dress this way He makes a vague gesture I draw back slightly This isn t the reaction I expected Like what Professor You playing the slut to get what you want Do you think I m some kid who ll go weak kneed if you smile at me with your s hanging out What are you talking about Professor I ask as innocently as I can my heart beginning to hammer He seems angry It occurs to me I could get in legitimate trouble for this What am I talking about he asks I m talking about this He grabs the loose flap of cloth of my partially open blouse and shakes me by it inadvertently pulling apart the other buttons in the process The garment falls open If it weren t obvious enough already that I m not wearing a bra it s pretty f ing obvious now I look down and then back up at him in shock forgetting to cover myself He draws in a sharp breath as my sudden nakedness catches us both by surprise **Teacher**

Spanking After Class (Femdom Student/Teacher Discipline and Humiliation Erotica) Nina Nauheim,2015-04-23 Reader

Advisory These stories are for mature audiences only and feature intensely erotic situations dominant women and submissive men taboo teacher student relations discipline spanking and humiliation All characters are 18 or older Jackson doesn't know why he started the rumor about Professor Eliza Richardson his young and beautiful economics professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Ms Clay herself and when Jackson is called down to the office on a Friday afternoon he finds out the dean's heard a lot more Once past the initial mortification he can admit he's probably earned the spanking she'll give him but did Ms Clay really have to tell Professor Richardson about the whole thing too Surely the professor will find her own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Richardson my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel her considering me Won't you say something Professor I finally blurted I'm trying to understand you Jackson What's to understand I shouldn't have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I'm just so incredibly embarrassed Professor She blinked in surprise Then she started to laugh Is that what it was she said I thought I saw something in the way you looked at me and it made the lie all the harder to understand She closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I'm sorry She billowed the top of her blouse with a hand and ran frustrated fingers through her lustrous dark hair Even though it was wildly inappropriate given the situation I couldn't help but find her even more alluring when angry than when she was calm and collected She seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that she had probably been the type to get into a lot of trouble when she was younger She turned back to look at me and caught me staring Her eyes locked to mine freezing me in place and I watched a faintly appraising look come into her face Her full lips pursed thoughtfully Well what are we going to do about this she asked The question sounded rhetorical so I watched her without answering Tell me she said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Naughty Rumors with full consent of the original author
