

SHORT PRAYER FOR A MISSION TRIP

God, I thank You that You have allowed us to be part of Your plan to save and rescue people. What a privilege that is. I understand that it is you alone who will change the hearts of people so I ask that you go before this trip and soften the hearts of the individuals that will be hearing the Good News. I pray that you will keep everyone safe, but more than that I pray that you keep everyone within your will. Allow hearts to change and lives to grow for your glory.
In Jesus' name, Amen.

Lawless, 2003 This compact prayer manual shows how to build and participate in a praying church and includes stories and examples from a cross section of churches evaluation charts and discussion questions so both church staff and lay leaders can use it individually or in group settings The Book of Uncommon Prayer Steven Case, 2009-07-13 Why do you need this book Because there are treasures in tradition In stark contrast to the common belief that youth workers require nothing less than a light show smoke machine and sweaty punk rock band to reach teenagers souls more and more youth have actually been moving toward depth and quiet and away from fluff and noise Creeds candles silence and ancient spiritual practices are all gaining understanding and popularity among students who re passionately seeking otherworldly and mysterious fragrances They re realizing that there are treasures in tradition The Book of Uncommon Prayer is your tool for unearthing dusting off and tapping into these treasures but in ways that are completely contemporary and more importantly completely relevant to students It s personal The prayers and worship services inside are written for youth ministry for students and for youth workers They tell the from the gut truth about what you and your kids face every day and in language that won t leave anybody scratching their heads It s practical These tools are for just about any situation you can think of Need a prayer for a lock in For family For loving enemies For final exams How about a mind blowing Dumpster Christmas service An eye opening service for All Hallows Eve Or the most intense service for Good Friday you ve ever experienced They re all here along with many other innovative vehicles for bringing your students into communion with God It s unparalleled This book is for all denominations It doesn t matter if you re mainline or evangelical Protestant or Catholic The Book of Uncommon Prayer is geared for all teenagers and youth workers in Jesus church There s also an entire section of devotions and prayers written specifically for you the youth worker to renew and strengthen you when times are tough Mysterious Practical Treasure filled Yes uncommon too The Book of Uncommon Prayer is a rich source of God revealing worship and a

one of a kind guide for personal renewal that youth workers camp counselors Sunday school teachers adult volunteers and even students will love *Women and Missions* ,1926 Ready-to-Go Devotions for Mission and Service Mark Ray,2010-10-01 Ready to Go Devotions for Mission and Service is a toolkit of daily devotionals for youth mission trips The devotions in this book address every aspect of the mission experience from leaving home and sleeping on the floor to dealing with language barriers and grumpy teammates Each devotion includes a relevant Bible story a commentary that connects that story to the mission experience and a section that challenges the reader to take specific actions on the trip back home or both The book includes devotions in preparation for during and after the mission trip or service project The ready to go format allows the youth worker to quickly assemble a customized devotional journal for participants matching each day s selection to what s likely to happen that day The devotions could also be used in a group setting which would allow the youth worker to pick devotions based on what has happened during the trip or event Either way the devotions point to the larger biblical and personal significance of mission trip or service project happenings What if you held a mission trip and nobody changed It s a haunting daunting question one that youth workers and researchers across America are beginning to ask Short term mission trips STM have exploded in popularity since the mid 1990s thanks in part to the Internet which makes connecting with mission agencies and mission recipients easier than ever Sociologist Kurt Ver Beek estimates that the number of North American short term missionaries grew from 125 000 in 1989 to as many as four million in 2003 Many of those short termers are teenagers According to Christianity Today more than two million American teens enter the mission field every year Pollster George Barna reports that 15 percent of U S Christian teens have done a short term mission trip while the National Study of Youth and Religion found that 29 percent of all teens had participated in a short term mission trip or religious service project Unfortunately the impact of short term mission trips may be short term as well both for those who go on mission trips and for those who receive mission teams Ver Beek recently surveyed North Americans who worked in Honduras after a 1998 hurricane as well as those who were served by them He found that the North American work teams had little or no lasting impact on the communities they served and that missionaries reported only a small positive lasting change in their own lives The situation isn t hopeless however according to Robert Priest associate professor of mission and intercultural studies at Trinity Evangelical Divinity School In research with Ph D students at Trinity he wrote in Christianity Today I ve been impressed that while STM may not always or automatically produce desired results the right sorts of STM carried out in the right sorts of ways and accompanied by the right sorts of reflections have potential for good Unfortunately youth workers don t always build the right sorts of reflections into their mission trips At best they allot time in the daily schedule for reflection or debriefing At worst they just hope and pray that their students will somehow be transformed by the mission experience The existing literature isn t much help Books on mission trip planning offer plenty of advice on selecting a mission agency raising money coordinating transportation handling emergencies entering closed countries and re entering

the normal world but they offer precious little advice on using the mission experience to impact the participants lives The handful of available mission focused devotional guides offer some assistance but they typically take a one size fits all approach Usually presented as mission journals these guides assume trips will be a certain length or include certain elements such as dealing with non English speakers Ready to Go Devotions for Mission and Service fills the void offering targeted topical devotionals that can help turn short term missions into life changing experiences *Life Is a Mission Trip-TAKE IT!* Alvin Reid,2021-02-21 Have you ever been on a mission trip Mission trips thrill us the prayer planning camaraderie and travel all stir us Most importantly our trip is focused on sharing Jesus and loving people But when we return we fall back into mundane church attending risk averse Christianity What if I told you that you could wake up every day and live your life from the perspective of being on a mission trip What if I told you the key to living for Jesus may be less a passport and a faraway place and more a latte at your local coffee shop What if the most important place for you to live on mission is not the church house but your house And what if I told you that no matter your journey or how inadequate uncertain or broken your life may seem that you are just the person God wants to use for His glory and the good of others Life is a mission trip TAKE IT I will show you how *The Baptist Missionary Magazine* ,1891 *Mission Studies* ,1903 Presbyterians in World Mission George Thompson Brown,1995 **Baptist Missionary Magazine** ,1884 Volumes 7 77 80 83 include 13th 83rd 86th 89th annual report of the American Baptist missionary union *The Presbyterian Record* ,1917 American Baptist Missionary Magazine and Missionary Intelligencer ,1891 Volumes 7 77 80 83 include 13th 83rd 86th 89th annual report of the American Baptist missionary union *Year Book of Prayer for Missions* ,1949 *Home Mission Monthly* ,1915
