Islam: A Brief Look at Faith and History (Revised Edition) Hafiz Ikhlās Ansari,2017-02-26 Paperback Islam has influenced and continues to influence many cultures around the globe It is shaping history cultures and civilizations Sadly most of us only receive a two dimensional look at Islam a view that is often distorted by the brevity of the media sound bites or by opinionated agendas Our intention with this book is to present Islam its teachings and the history of those who follow it It is not a comprehensive study nor should it be seen as definitive Rather it should be used as a stimulus for further detailed study We hope and pray that this effort becomes a source of promoting much needed harmony peace tolerance and coexistence in the human family This can be done through school education systems interfaith sessions mosque open houses educational seminars and individual readership This new Revised Edition has larger text clearer graphics and many new additions to the previous text

Islam Solomon A. Nigosian,2004-01-29 This compact introduction to Islam describes the essential aspects of Islam as a living religion and social force The book is organized around seven topics the life of Muhammad Islamic political development and territorial expansion the important groupings of Islamic believers Sunni Shi ite and Sufi the Qur an the Holy Book of Islam Sunnah Hadith the record of the Prophet s actions and sayings and Shari ah the compilation of Islamic law the five Articles of Faith and the so called Five Pillars of Islam that govern faith and action and other binding religious observances and festivals The presentation of these seven aspects of Islam strikes a balance between fact tradition current interpretation and commentary S A Nigosian underscores two fundamental points that to understand Islam properly it is necessary to see it as a major faith tradition with Muhammad as the last of a series of messengers sent by God and that to grasp the spirit of Islam one must recognize its emphasis on an uncompromising monotheism with strict adherence to certain social political and religious practices as taught by the Prophet and elaborated by tradition

Concise History of Islam Muzaffar Husain Syed,Syed Saud Akhtar,B D Usmani,2011-09-14 In World History History of Islam is a glorious chapter In fact Muslim History involves the history of the Islamic faith as a religion and as a social institution Through various periods Islam made many a long stride and its influence spread far off over the globe Apart from religion Muslims made considerable contribution in areas like philosophy

The House of Islam Ed Husain, 2018-06-19 Ed Husain has become one of the most vital Muslim

voices in the world The House of Islam could very well be his magnum opus Reza Aslan 1 New York Times bestselling author of Zealot This should be compulsory reading Peter Frankopan author of the international bestseller The Silk Roads Today Islam is to many in the West an alien force with Muslims held in suspicion Failure to grasp the inner workings of religion and geopolitics has haunted American foreign policy for decades and has been decisive in the new administration s controversial orders The intricacies and shadings must be understood by the West not only to build a stronger more harmonious relationship between the two cultures but also for greater accuracy in predictions as to how current crises such as the growth of ISIS will develop and from where the next might emerge The House of Islam addresses key questions and points of disconnection What are the roots of the conflict between Sunni and Shi a Muslims that is engulfing Pakistan and the Middle East Does the Koran encourage the killing of infidels The book thoughtfully explores the events and issues that have come from and contributed to the broadening gulf between Islam and the West from the United States overthrow of Iran s first democratically elected leader to the emergence of ISIS from the declaration of a fatwa on Salman Rushdie to the attack on the offices of Charlie Hebdo Authoritative and engaging Ed Husain leads us clearly and carefully through the nuances of Islam and its people taking us back to basics to contend that the Muslim world need not be a stranger to the West nor our enemy but our peaceable allies Islam, Christianity, and the West Rollin Stely Armour,2002 One of a number of 9 11 volumes that appeared last year Rollin Armour s book has been nearly a decade in the making He takes the World Trade Center bombing in 1993 and its final destruction in 2001 as historical bookends for the material covered His stated goal is to contribute to better mutual understanding between the West and the Islamic world *Islam in Modern History* Wilfred Cantwell Smith,1957 This is a study of a people in the turmoil of the modern world The Muslim community in our day like the rest of mankind is in serious transition What distinguishes it is that its members face the perplexities and opportunities of modernity as heirs of a unique tradition Their society is characterized by a faith Islam and a great past What is happening to the community and to the faith is the attempted subject of this book Preface **Kingdoms of Faith** Brian A. Catlos,2018-05-01 A magisterial myth dispelling history of Islamic Spain spanning the millennium between the founding of Islam in the seventh century and the final expulsion of Spain s Muslims in the seventeenth In Kingdoms of Faith award winning historian Brian A Catlos rewrites the history of Islamic Spain from the ground up evoking the cultural splendor of al Andalus while offering an authoritative new interpretation of the forces that shaped it Prior accounts have portrayed Islamic Spain as a paradise of enlightened tolerance or the site where civilizations clashed Catlos taps a wide array of primary sources to paint a more complex portrait showing how Muslims Christians and Jews together built a sophisticated civilization that transformed the Western world even as they waged relentless war against each other and their coreligionists Religion was often the language of conflict but seldom its cause a lesson we would do well to learn in our own time **Perspectives on Islamic Faith and History** Bashir A. Datto,2006 Islam is both a monotheistic religion and a holistic one its system of

inter related beliefs is linked to the observance of ritual practices In addition to bringing its adherents closer to Allah Islam also promotes secular responsibilities toward the environment and fellow human beings whether believers or non believers The 25 essays assembled here the majority from conference proceedings or regional magazines sources not readily accessible to potential readers are meant to give readers a more complete perspective on Islam The pieces discuss topics like Islam s advocacy of social justice and human dignity and the key traits and contributions of its most prominent historical leaders Divided into sections like Insights from the Holy Qur an Religious Observances and Civic Society Perspectives on Islamic Faith and History is perfect for anyone hoping to gain a deeper understanding of Islam *A Brief Guide to Islam* Paul Grieve,2013-02-07 Exploring the beliefs history and politics of the ordinary people of Muslim countries Grieve cuts through the complexities as he examines all aspects of Islam He also addresses the big issues can Islam support true democracy Is true democracy what the West really wants for Muslim countries or are we merely seeking a cover of legitimacy for a policy of might is right Paul Grieve is an unbeliever he is not a born again Muslim a proselytizer or a frustrated desert romantic His aim is to inform The result is an accessible but never simplistic guide that challenges stereotypical views from women and banking to war and Malcolm X Complete with advice for visitors to Muslim countries and with carefully chosen primary sources maps and illustrations this is the ideal summary for the reader looking for an unbiased overview of the religious and political world issues that have become part of our everyday lives **The Oxford History of Islam** John L. Esposito,2000-04-06 Lavishly illustrated with over 300 pictures including more than 200 in full color The Oxford History of Islam offers the most wide ranging and authoritative account available of the second largest and fastest growing religion in the world John L Esposito Editor in Chief of the four volume Oxford Encyclopedia of the Modern Islamic World has gathered together sixteen leading scholars both Muslim and non Muslim to examine the origins and historical development of Islam its faith community institutions sciences and arts Beginning in the pre Islamic Arab world the chapters range from the story of Muhammad and his Companions to the development of Islamic religion and culture and the empires that grew from it to the influence that Islam has on today s world The book covers a wide array of subjects casting light on topics such as the historical encounter of Islam and Christianity the role of Islam in the Mughal and Ottoman empires the growth of Islam in Southeast Asia China and Africa the political economic and religious challenges of European imperialism in the nineteenth and twentieth centuries and Islamic communities in the modern Western world In addition the book offers excellent articles on Islamic religion art and architecture and sciences as well as bibliographies Events in the contemporary world have led to an explosion of interest and scholarly work on Islam Written for the general reader but also appealing to specialists The Oxford History of Islam offers the best of that recent scholarship presented in a readable style and complemented by a rich variety of illustrations **Age of Faith** Will Durant,1993-03-01 *Islam* Bernard Ellis Lewis,Buntzie Ellis Churchill,2008-08-19 Praise for Bernard Lewis For newcomers to the subject el Bernard Lewis is the man
