Islamism and Security in Bosnia-Herzegovina Leslie S Lebl, Strategic Studies Institute, 2014-05-23 U S experts fear violence could once again break out in Bosnia Herzegovina and some even want the North Atlantic Treaty Organization NATO to mount another military mission there Yet few of these experts focus on the danger of gradually expanding Islamism In Bosnia it appears to have made slow but steady progress despite resistance from Bosnia s moderate Muslims Senior Bosniak Muslim leaders retain their long standing Islamist ties and their calls to impose traditional Islamic law or sharia and develop closer ties with the Islamic world only aggravate Bosnian Croat and Serb separatism Islamism and Security in Bosnia-Herzegovina Strategic Studies Institute, U.s. Army War College Press, 2014-12-31 Bosnia Herzegovina once thought to be on the way to joining the North Atlantic Treaty Organization NATO and the European Union EU is instead falling behind mired in political bickering economic stalemate and governmental dysfunction In this difficult situation Islamism poses a significant threat to Bosnia s fragile domestic stability Although the levels of Islamist terrorism and separatist movements are comparable to those elsewhere in Europe they are particularly troublesome in Bosnia for two reasons First senior political and religious Bosniak Muslim leaders have long standing ties to the Muslim Brotherhood and Islamist terrorism including al Qaeda and Iran that they are very reluctant to abandon Second Islamism contributes significantly to Bosnia s dysfunction as a country Calls to re impose traditional Islamic law or sharia arouse opposition from Bosnian Serbs and Croats as does the nostalgia for the Ottoman Empire and Islamic Caliphate shared by key Bosniak leaders the Organization of Islamic Cooperation OIC and the Turkish government Islamism and Security in Bosnia-Herzegovina Lebl, 2014 **Islam in Russia: The Politics of Identity and Security** Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study s distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia s Muslim populations religious institutions political organizations and ideological movements *Islam and Nationhood in Bosnia-Herzegovina* Xavier Bougarel, 2017-12-14 Based on substantial fieldwork and thorough knowledge of written sources Xavier Bougarel offers an innovative analysis of the post Ottoman and post Communist history of Bosnian Muslims *Islam and Nationhood in Bosnia Herzegovina* explores little known aspects of the war in Bosnia and Herzegovina unravels the paradoxes of Bosniak national identity and retraces the transformations of Bosnian Islam from the end of the Ottoman period to today It offers fresh perspectives on the wars and post war periods of the Yugoslav space the forming of national identities and the strength of imperial legacies in Eastern Europe and Islam s presence in Europe The question of how Islam is tied to national identity still divides Bosnian Muslims *Islam and Nationhood in Bosnia Herzegovina* places the history of ties between
