villagers are not all as excited about Lek moving back as she is Her daughter and her mother are delighted Craig is also happy to live in the village although it is not at all easy for him as no one there speaks English and the Internet does not work as well as he was led to believe Will he be able to make ends meet Will he be deported And would Britain allow Lek in if he had no money Will Lek and Craig manage to live in the village of Baan Suay or will the loneliness the tedium and the lack of stimulation drive them away or even apart An exciting future.
