the armed forces The section also profiles Sanya Shah who has been empowering women by helping them to come out with their creative best Her NGO Sapne strives to make their dreams come true Sons of Darkness the book s name is enough to conjure up images of a grim dark world And this is exactly what author Gourav Mohanty has done he has come up with a proper dark fantasy one that creates an instant connection thanks to characters like a pirate princess from Kalinga Read more about this in our Literature section Inclusivity equality and freedom These are a few sentiments that are generally associated with the Pride movement With June being celebrated as Pride Month City Lights brings you the Pride Lookbook The monsoon brings relief after a scorching summer but it also comes with a fair share of health problems particularly gut related ones In Health Fitness we list a few simple steps to keep disease and illness away Odia content on OTT platforms finally seems to be coming of age In Screen Shots we look at the recent series Gangs of Puri that seems to have struck the right chord with the audience The people behind this show explain what went into its making We also catch up with the multi talented Prag yan Hota who has been singing her way to success She tells us about her early days excelling in academics and how she later embarked on a musical journey The section also features Biraj Rath who talks about his latest Odia album
