Miss Pettigrew Lives For A Day English Edition:

Interwar Women's Comic Fiction Nicola Darwood, Nick Turner, 2020-01-10 This collection of essays examines the work of five intermodernist writers. Some were established authors before the First World War and others continued to write after the Second World War but this book focuses particularly on their writing between 1918 and 1939. Elizabeth von Arnim, Stella Benson, Bradda Field Ivy Compton Burnett, Stella Gibbons and Winifred Watson had much in common: they all wrote novels full of comic moments which often challenged the cultural politics of the interwar period. Drawing on the literary and critical contexts of each novel, the essays here discuss the use of comic structures that enabled the authors to critique the dominant patriarchal structures of their time and offer an alternative, sometimes subversive, view of the world in which their characters reside. This book contributes to the growing scholarly interest in interwar fiction, focusing principally on novelists who have fallen out of public view. It widens our understanding both of the authors and of the continuing, highly topical, debate about interwar women novelists. The English Language and Anglo-American Culture Carmen Luján García, 2013-02-21 The English Language and Anglo American Culture: Its Impact on Spanish Language and Society explores the effects of globalisation on Spanish language and society. It analyses the impact of the English language and Anglo American culture on Spanish language and culture. This book compiles four different studies that provide evidence of the increasingly pervasive presence of English in Spanish daily life. The areas covered include analyses of shop windows from different shopping centres in Las Palmas de Gran Canaria, Spain, which display Christmas greetings in English rather than Spanish; exploration of some of the most frequently used techniques to translate the titles of Anglo American films; a study of the use of anglicisms in the Spanish edition of the film magazine Cahiers du Cinema; research on the attitudes of a sample of Spanish students towards English; reflection on the emergence of a certain sense of identity towards English and Anglo American culture among Spaniards; and some activities that invite reflection on the issues dealt with throughout the book. **Miss Pettigrew Lives for a Day** Simon Beaufoy, David Magee, 2008
