Mississippi In My Glass:

Mississippi in My Glass Vince Havens Photography, 2014-10-30 I have traveled over most of the state of Mississippi whether to shoot photographs visit family or just headed out somewhere to see what I can find I always have my camera equipment with me and as a friend once said If Vince has seen it he probably took a photograph of it That statement holds true most of the time Ive been told that Ive helped some see a photo in something that they wouldnt have normally paid attention to I just believe that every moment that I capture in a photograph is a moment in time that someone somewhere would have never had the pleasure to see had it not been photographed This is the world the way I see it through the glass of my camera lens These are only a few out of many photographs I have taken over the years I plan to if God grants me the ability to continue to seek out and capture his creation on digital film and the many wonders and beauties of this world that others may see what they may have missed Thank you for spending the day with me from sunrise through the morning afternoon to sunset and even into the night seeing the things in life that maybe we over look Please take the time to go outside watch a sunrise a sunset visit a park explore nature walk a trail experience life as God created it beyond the four walls of a building It may not change your world but at least for those few moments you have had some peace breathed some fresh air gotten some exercise and maybe walked away feeling a little more blessed than before I hope you have enjoyed the photos and I hope to publish another book of photos again someday Until then you can visit my website and share Gods creation with me Thanks again and may God bless you
