Napalm Silly Putty English Edition:

Napalm & Silly Putty George Carlin, 2001-07-01 A hilarious new collection of razor sharp observations from the New York Times bestselling author of Brain Droppings Few comics make the transition from stage to page as smoothly or successfully as George Carlin Brain Droppings spent a total of 40 weeks on the New York Times bestseller list and this new one is certain to tickle even more ribs and rattle a few more cages with its characteristically ironic take on life s annoying universal truths In Napalm Silly Putty Carlin doesn t steer clear of the tough issues preferring instead to look life boldly in the eye to pose the questions few dare to ask How can it be a spy satellite if they announce on TV that it s a spy satellite Why do they bother saying raw sewage Do some people cook that stuff In the expression topsy turvy what exactly is meant by turvy And he makes some startling observations including Most people with low self esteem have earned it Guys don t seem to be called Lefty anymore Most people don t know what they re doing and a lot of them are really good at it Carlin also waxes wickedly philosophical on all sorts of subjects including KIDS They re not all cute In fact if you look at them closely some of them are rather unpleasant looking And a lot of them don t smell too good either DEATH ROW If you re condemned to die they have to give you one last meal of your own request What is that all about A group of people plan to kill you so they want you to eat something you like Add to the mix The Ten Most Embarrassing Songs of All Time The 20th Century Hostility Scoreboard and People I Can Do Without and you have an irresistibly insouciant assortment of musings questions assertions and assumptions guaranteed to please the millions of fans waiting for the next Carlin collection and the millions more waiting to discover this comic genius
