Napoleons Specialist Troops

Nigel Thomas

Napoleons Specialist Troops:

Napoleon's Specialist Troops Philip Haythornthwaite, 2012-06-20 Though less celebrated than the infantry and cavalry Napoleon's specialist troops artillery engineers and supporting services were indispensable elements Without them no army could have operated and they frequently assumed greater significance than the line regiments Indeed having suffered least from the emigration of Royalist officers the artillery was the best element of the early Republican armies the nucleus of the old Royal artillery serving with distinction in the early campaigns such as Valmy The organisation and uniform of Napoleon's specialist troops are here examined by Philip Haythornthwaite in an engaging volume complemented by a wealth of illustrations including eight full page colour plates by Bryan Fosten

Napoleon's Campaigns in Italy Philip Haythornthwaite, 2012-05-20 In January 1794 the French Army of Italy was commanded by General Dumerbion and he acknowledged a great debt to his 25 year old commander of artillery Napoleon Bonaparte The French Revolution had resulted in major changes in the military system conscription created a national army and new tactics and initiatives allowed an officer of such promise as Napoleon to rise quickly through the ranks By 1796 he was the general commanding the French in Italy and at the conclusion of fourteen months campaigning he was the decisive military personality of his age Philip Haythornthwaite examines Napoleon's campaigns in Italy and the uniforms of his soldiers are illustrated in eight colour plates by Richard Hook

Wellington's Specialist Troops Philip Haythornthwaite, 2012-06-20 The specialist troops of Wellington's army played a crucial role in the success of the British Army Though often understaffed and ineptly managed the artillery engineers transport and commissariat and medical services contributed to Wellington's ultimate victory in 1815 The Royal Artillery and Corps of Royal Engineers comprised a small number of highly trained officers while the commissariat was composed of untrained civilians outside military discipline and the medical services suffered from a shortage of trained surgeons This richly illustrated book examines the organization uniforms and equipment of each of these specialist departments

ABT755 - IMPERIAL GUARD OF NAPOLEON 1799-1815, Artillery of the Napoleonic Wars: A Concise Dictionary, 1792-1815 Kevin F. Kiley, 2021-03-15 A comprehensive military history reference book exploring all aspects of the artillery used during the Napoleonic Wars Napoleon began his military career as an artillery cadet and artillery played a fundamental part in all his great battles Until the Napoleonic Wars artillery had been seen merely as a supporting arm to the infantry but Napoleon changed everything He massed his guns in huge batteries to blast holes in his opponent's line He even used the artillery to charge the enemy the gunners galloping up to the enemy to open fire at pointblank range Napoleon's opponents did not all follow suit choosing other tactical deployments As a result the Napoleonic era more than any that preceded or followed it was one of fascinating artillery maneuvers and critical actions that changed the course of many of the key battles As the Prussian Field Marshal Blucher once observed Against Napoleon you needed guns and lots of them The Napoleonic Wars was also a time of innovation with the introduction of shrapnel shells and military rockets This

book will examine the artillery arms of all sides from muzzle to butt plate As well as the significant artillerymen of the period the scientists and innovators military and civilian individuals such as Robins Belidor Gribeauval and his colleagues Maritz Liechtenstein and his collaborators as well as the du Teil brothers will all be examined as will the important battles and sieges significant memoirs and documents and artillery terms that soon became part of the military lexicon Written by the renowned historian Kevin F Kiley this will be the definitive book on the subject and will cover all aspects of artillery in the Napoleonic Wars This is a wonderfully complete induction into the details of Napoleonic Artillery As well as defining some of the archaic terms associated with the art of gunnery note point blank is not what we mostly believe it to be it provides background to the careers of the key characters in the science The book contains many excellent technical drawings to explain sketches and images to inform and data tables in the appendix to which to refer Overall it is an indispensable aid to understanding the artillery of the period Michael McCarthy battlefield guide [The Waterloo Armies](#) Philip Haythornthwaite,2007-10-18 German troops formed the majority of Wellingtons forces present at the Battle of Waterloo including those of Nassau Brunswick Hanover and the Kings German Legion and they have left a large number of first hand accounts of their role in the battle The actions of the King s German Legion an integral part of the British Army and partly officered by British soldiers has been published in English but to a limited degree Herbert Siborne published letters written to his father Ompteda and Wheatley have had their memoirs published and History of the Kings German Legion included a small number of letters including the oft misquoted account of the defence of La Haye Sainte by Major Baring This forms a tiny proportion of the German material available Therefore it is not surprising that early British histories of the battle have largely sidelined the achievements of the German troops and this has been regurgitated by most that have followed This situation did not change until the 1990s when Peter Hofschroer published his two volume version of the campaign from the German perspective which included snippets of German documents published in English for the first time But even this proved not totally satisfactory as it did not provide the whole document to allow full interpretation There is a great need to provide an English version of much of the original German source material to redress the imbalance this volume is intended to remedy that situation by publishing sixty of these reports and letters fully translated into English for the first time giving a clearer insight into the significant role these troops played Gareth Glover is a historian specialising in the Waterloo campaign and the Peninsular War He left school at eighteen to join the Royal Navy as a Seaman Officer and completed his extensive training course at Dartmouth College He has published articles in The Waterloo Journal and the Journal of the Royal Artillery and a novel about Waterloo Voices of Thunder Christmas Selection 2010 Napoleon org website *Napoleon's Imperial Guard* Gabriele Esposito,2021-08-04 A detailed analysis of the organization uniforms and weapons of the French Imperial Guard created by Napoleon I The author describes how this large military body evolved from the Consular Guard created by Bonaparte as early as 1799 and how this came to include dozens of different military units belonging to each branch of

service infantry cavalry artillery specialist corps The Imperial Guard was a miniature army made up of veteran soldiers who were dressed with the most spectacular and elegant uniforms ever seen on the battlefields of Europe The Guard also included several exotic non French units that are also covered in the text Egyptian Mamelukes Polish and Lithuanian lancers Tatar scouts Dutch grenadiers and lancers The way in which Napoleon employed the Guard in battle is discussed and also how it differed from the rest of the French Army in terms of military dress and weaponry Osprey Men-At-Arms Martin Windrow,2012-01-20 Osprey Men at Arms A Celebration is a very special volume detailing some of the wonderful artwork that has graced Osprey s renowned Men at Arms series over the last forty years Beautifully presented in luxurious cloth embossed and foil blocked with head and tails bands and a ribbon bookmark the collection contains the most treasured illustrations from the vast archives of this respected series and is a classic collectable item for all military history enthusiasts

The German Army 1939-45 (1) Nigel Thomas,2000 On 1 September 1939 when Germany attacked Poland the Wehrmacht numbered 3 180 000 men It eventually expanded to 9 500 000 and on 8 9 May 1945 the date of its unconditional surrender on the Western and Eastern Fronts it still numbered 7 800 000 The Blitzkrieg period from 1 September 1939 to 25 June 1940 was 10 months of almost total triumph for the Wehrmacht as it defeated every country except Great Britain that took the field against it In this first of five volumes examining the German Army of World War II 1939 1945 Nigel Thomas examines the uniforms and insignia of Hitler s Blitzkrieg forces including an overview of the Blitzkrieg campaign itself

Artillery of the Napoleonic Wars: Artillery in Siege, Fortress and Navy, 1792-1815 Kevin F. Kiley,2020-01-24 Filled with statistical information on the guns ammunition and carriages used by the armies places the reader on the ground with the gunners The Napoleon Series Napoleon was an artilleryman before he was an emperor He understood the power and effectiveness of cannon and their ability to pulverize defenses reduce fortresses and destroy attacks In return the guns won Napoleon battles This impressive study chronicles the story of the guns and men during the twenty three years of almost continuous warfare from 1792 1815 from the battlefields of continental Europe to the almost primitive terrain of North America and of the seas lakes and rivers that connected them Detailed technical information is accompanied by vivid descriptions which allow the reader to imagine what it must have been liked to maneuver and man the guns in a variety of situations whether on the march or on the battlefield Based on years of research into regulations of the period eyewitness accounts of artillerymen and material culled from official reports the scope and depth of material will satisfy the serious researcher while the lively narrative will appeal to the casual reader Kiley s research is impeccable and deserves the highest praise Moreover he writes in so entertaining a manner that he informs and educates without effort For the enthusiastic student of the attack and defense of fortified places this is an essential book of reference Fortress Study Group

Napoleon's Mercenaries Guy C. Dempsey,2002 This superb and comprehensive book details the foreign units which formed such an important part of Napoleon s forces It examines each non French unit in turn giving an overview of the unit s

origins its organizational and combat history its uniforms and standards and details of the unit's eventual fate Colorful accounts taken from contemporary reports and memoirs emphasize the qualities of the unit and throw light on what life was like for many of the foreign soldiers recruited into the Grande Armée Napoleon's foreign troops varied tremendously in quality from the excellent Vistula Legion and Swiss regiments to the more dubious battalions of foreign deserters and Spanish prisoners of war Some units fought and flourished throughout the Consulate and Empire whilst others lasted for just a few months Covers Polish German Swiss Italian Spanish and other units in the French Army and presents a combat history and details uniforms for each regiment Napoleon's Mercenaries is the best single volume study of this aspect of Napoleon's army and a vital reference for every Napoleonic enthusiast The Writers Directory, 2013 *The King's German Legion* (1) Mike Chappell, 2000 The formation of the King's German Legion resulted from the occupation of Hanover their homeland by the French in 1803 After assorted expeditions including Copenhagen in 1807 and Moore's retreat to Corunna the Legion joined Sir Arthur Wellesley in the Peninsula It was here that they were to earn undying renown as the crack corps of Wellington's army The Legion represented about 20% of Wellington's fighting strength and distinguished itself in all the major actions including their famous charge at Garcia Hernandez during the Salamanca campaign 1812 which was fought during the Peninsular War 1808-1814 *Austrian Specialist Troops of the Napoleonic Wars* Philip Haythornthwaite, 1990-07-26 The specialist troops of the Austrian forces helped to secure Austria's reputation as the most formidable of Napoleon's continental enemies Due largely to the efforts of Prince Liechtenstein by the late 18th century the Austrian artillery had been the finest in Europe and was held up as an example to the world This text examines the famed Austrian artillery and other specialist troops of the Napoleonic Wars 1799-1815 including the Pioneers Pontooneers engineer services and medical service detailing their organisation equipment and uniforms in a volume complete with accompanying illustrations and colour plates **The Encyclopedia of the French Revolutionary and Napoleonic Wars** Gregory Fremont-Barnes, 2006-08-30 This comprehensive three volume work on the French Revolution and Napoleon's rule and campaigns covers a wide range of military political social and cultural events and personalities during a time of dramatic change in Europe In three extraordinarily rich volumes The Encyclopedia of the French Revolutionary and Napoleonic Wars captures the full sweep and legacy of the transformation of Europe from 1792 to 1815 Its nearly 900 alphabetically organized fully cross referenced entries provide students and general readers with vivid biographies of politicians sovereigns and commanders accounts of battles weaponry and diplomatic affairs insights into the art music and culture of the times and much more Unlike other works on the subject this encyclopedia combines coverage of Napoleon's rule with that of the crucial Revolutionary years in France that set the stage for his rise to power It includes contributions from the most wide ranging group of international experts ever assembled for a work on this era Students will see the full continent wide impact of France's evolution from aristocracy to democracy to military autocracy and explore the effects of nationalism empire building

industrialization and international conflict which resonate with more relevance today than ever **The King's German Legion (2)** Mike Chappell,2000 This title is the completion of a two part study of the King s German Legion the largest and most respected of the foreign corps which fought as integrated elements of the British Army during the Napoleonic Wars 1799 1815 The light and heavy cavalry light and line infantry and horse and foot artillery of the KGL made major contributions to Wellington s victories in the latter part of the Peninsular War 1808 1814 and several units covered themselves with glory at Waterloo Drawing upon new research in British and Hanoverian archival sources Mike Chappell s detailed text and meticulous illustrations offer unprecedented details of this impressive fighting organisation *Austrian Specialist Troops of the Napoleonic Wars* Philip Haythornthwaite,2012-05-20 The specialist troops of the Austrian forces helped to secure Austria s reputation as the most formidable of Napoleon s continental enemies Due largely to the efforts of Prince Liechtenstein by the late 18th century the Austrian artillery had been the finest in Europe and was held up as an example to the world This text examines the famed Austrian artillery and other specialist troops of the Napoleonic Wars including the Pioneers Pontooneers engineer services and medical service detailing their organisation equipment and uniforms in a volume complete with accompanying illustrations and colour plates History for Ready Reference, from the Best Historians, Biographers, and Specialists: El Dorado-Greaves Josephus Nelson Larned,1895 The Sandler Collection Victor Sutcliffe,1996 **The Writer's Directory, 1998-2000** Miranda H. Ferrara,1995 Information on more than 17 500 living authors from English speaking countries

Napoleons Specialist Troops Introduction

In today's digital age, the availability of Napoleons Specialist Troops books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Napoleons Specialist Troops books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Napoleons Specialist Troops books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Napoleons Specialist Troops versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Napoleons Specialist Troops books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Napoleons Specialist Troops books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Napoleons Specialist Troops books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Napoleons Specialist Troops books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Napoleons Specialist Troops books and manuals for download and embark on your journey of knowledge?

FAQs About Napoleons Specialist Troops Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
