Hanlon, 2018-04-20 Liane obviously liked all of that dearly So she went on euphorically And then the estate agent suggested if we wanted to we should you understand in order to really and completely absorb the atmosphere of the house and to feel and understand the whole concept we of course were free to totally undress ourselves at any time leave our clothes in the apartment and experience the house naked Just as we would live here most of the time naked And you did not or did you Doris was baffled because she couldn't believe that her friend would do that but Liane's gaze spoke a different language No Oh yes Of course Liane giggled I considered seriously to take the apartment and so I wanted to know whether if I really liked it Exhibitionist Doris commented with a bit of jealous sarcasm Nudist please Liane countered in fun As always Liane continued elated So we went further me naked everyone else still clothed No that's not entirely true Some other woman also removed her blouse and her trousers but kept on her panties And she asked the agent whether that would be naked enough I thought if naked then completely naked right I anyway hadn't much to lose I just wore such a short thing and nothing underneath and it was either like that or nothing So we went down into the body zone There also the floors Everything formally invites you to touch it with your bare skin The floor feels so good under your feet you want to sit down like with your bare butt on it to feel it even more Liane and Doris looked at each other and had to laugh again involuntarily And believe it or not Liane continued there is everything there in the body area just everything but everything is open not even the toilets have a privacy screen Somehow the woman who was just wearing her panties must've remembered at that time that she needed to pee But when she asked the agent where to retreat she just said that she was standing right in front of it And this was a bit provocative already but then the agent herself without another word pushed her pants from her butt sat on one of the bowls and peed The panties woman then said thanks for the demonstration but she already had know how to do it in the first place and that she refrained from the use of possibilities or even deepen the subject itself any further **At Your Mercy: A Spanking in the Woods** Giselle Renarde, Take a dominating older man a bratty younger woman a dysfunctional non relationship and what do you get Hot hard spankings in the woods He's married and she's engaged but that doesn't stop Mercedes from meeting Simon in the woods She can't help worrying though What if they're spotted together She doesn't want word getting back to his wife or her fiancé More than that Mercedes hates the way people look at them in public an older man chasing after a younger woman's body and a gold digging girl who's only in it for the money So what if that's the truth So what if Simon pays her for sex She still resents the assumption **Seduced at the Spa (First Time Lesbian Erotica)** Kylie Ashcroft, 2013-11-24 Mel is overwhelmed by work and stress when she agrees to a spa day with her openly bi sexual friend Kandi After their massage

they decide to spend sometime in the sauna While they relax Kandi suggests Mel let her inhibitions go and try dating women for once Before Mel realizes what s happening her best friend is putting the moves on her Will Mel try something new or let her assumptions get in the way of a truly relaxing spa trip This 6700 word short story is for adults only and contains explicit language including sexual situations EXCERPT Well have you thought about trying girls I opened my eyes and looked over at Kandi Her legs were spread slightly but I couldn t see anything under her towel She was watching me a curiosity twinkling in her eyes I m not interested in that Have you thought about it at all I shrugged feeling uncomfortable under Kandi s unwavering gaze I m just not interested You know that I m being serious she said Have you ever tried it With a woman No of course not Kandi you know I m straight I said the same thing for years Years And then one night I let my inhibitions go She moved in her seat like she was dancing and swaying to unheard music her towel pulling apart a bit over her legs I ve never looked back You shouldn t limit yourself If you haven t tried it haven t even entertained the idea then how do you know you re not interested Hm I just know okay It s just one of those things that you know Sure Kandi looked me up and down as if she was trying to scan my body and uncover all of my secrets Have you ever found a woman attractive No I ve told you Stop reacting with your preconceived notions and have a real conversation with me I closed my mouth suddenly feeling frustrated Why was she pushing the subject so much What did she want Have you ever looked at a woman and admired her hair her legs her curves She raised her eyebrows like she knew a secret like she d sensed me looking at her body today I kept my eyes locked on hers and shrugged Sure I guess I mean I can objectively tell when a woman is attractive Of course objectively She rolled her eyes and stood closing the distance between us and taking a seat next to me The floral scent of the massage oil emanated from her skin with a slight tang of salty sweat Have you ever looked at a woman and wondered what it would be like to touch her or have her touch you No Hm she looked me up and down and crossed her legs inadvertently hiking her towel open dangerously close to her crotch I still think you should try it being with a woman I mean Just a little bit Maybe just some kissing to see how you feel I laughed and shook my head So if I kiss a couple girls and decide I don t like it then you ll leave me alone and accept that I m straight Kandi leaned towards me Not necessarily a couple girls I think one could suffice especially if it s the right one The right one What like a lesbian soulmate No of course not I m not some romantic I mean a woman who knows how to handle another woman who isn t confused or experimenting Someone who knows herself as well Oh okay And where do I find someone like that It s not as hard as you think Kandi reach out and lightly place her hand on my thigh just below the edge of my towel My heart started pounding as I realized what s happening Kandi C mon Mel Open your mind You re closing yourself off limiting yourself from so many possibilities Just take a chance you have nothing to lose
