# MONEY MATTERS

A Guide to Saving, Spending, and Everything in Between

Written by Alex van Tol - Illustrated by Megan Calkins

## CHAPTER 1

# MONEY BASICS

Okay, let's start by thinking about your current money feelings. Maybe you find money exciting, boring, or just plain confusing. Lots of research shows us that how you think about money right now will have a big impact on how you think about money as a grown-up. So while you're young, I want to make sure your money associations are strong, healthy, and happy.

No matter how you feel about money today or in the future, it's important to remember that money is simply a tool. Money can help you get both the things you **need** (food, water, a roof over your head) and the things you **want** (a toy, a new jacket, a fun vacation).

So here's what I want you to do today: start creating healthy money associations. Start thinking about money as a tool that can help you live the life you want. If you work hard, you can earn it.

And if you're thoughtful about how you manage your money, you can make sure you always have some.
