Montessori Great Lessons:

The Montessori Great Lessons Guadalupe Reyes Vadillo, 2021-03-16 The Montessori Great Lessons are a series of stories through which children are presented with the basic structure of the topics they will develop during their academic training in Workshop equivalent to elementary school Workshop 1 includes grades 1 to 3 and Workshop 2 the grades 4 to 6 and allow a first approach to the holistic approach of the Montessori philosophy by showing us an interrelation of essential topics that shows us that every aspect of the knowledge of the world has contacts with everything else **Teaching Children** Ann

El-Moslimany, 2018-01-01 The author explores education from the essential principles of Tawhid Oneness of God humanity knowledge fitrah concept of human nature and the role of humans as vicegerents of God on earth responsibility and stewardship The current education system dates back a hundred years or more and is in desperate need of a reboot In developing the industrialized society the education system itself became like a factory the end product being pupils who merely regurgitate facts and themselves end up as cogs in the machine that is the wider industrial complex The legacy of this is a soulless functional educational system that fails to develop pupils to meet the present and future needs of individuals and their expectations This failure inevitably impacts on society and humanity at large Society has long since moved beyond the industrial revolution and into an age of global connectedness where the sum of human knowledge is freely available via the internet It is an age where people are generally more well informed and on a variety of issues An effective holistic educational philosophy is required one that gives full spiritual meaning to all that a child learns It should equip children with spiritual awareness morals and values social responsibility and accountability self discipline and self determination self confidence and empowerment ambition and aspiration tempered with thoughtfulness and a sense of gratitude **Maria**
