*Changes in Mormon Doctrine* David Dye,2009      *Secrets Mormons Don't Want You to Know* Richard Benson

personal experiences with the church      Same-Sex Dynamics Among Nineteenth-Century Americans D. Michael  
Quinn,2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best  
religion books of the year by Publishers Weekly D Michael Quinn s Same Sex Dynamics among Nineteenth Century  
Americans has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early  
America s acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon  
same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s

**Reasoning from the Scriptures with the Mormons** Ron Rhodes,Marian Bodine,1995-07-01 Have the Mormons ever  
left you unsure of what to say Their arguments are convincing their teachings seem indisputable and their stand on what they  
believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One  
of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the  
main points of Mormonism and discover where it falls short of God s truth They then equip you to ask strategic questions that  
challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of  
Mormon Jesus supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You ll  
find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence      *We  
Gather Together* Neil J. Young,2016 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to  
the present day We Gather Together recasts the story of the emergence of the Religious Right showing that it was not a  
brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was  
the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and  
Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights  
Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the  
movement from the very beginning This provocative book will reshape our understanding of the most important religious and  
political movement of the last 30 years      **Journal of Mormon History** ,2005      **Mormonism, Mama, and Me!** Thelma  
Geer,1980      **Dialogue** ,2003 A journal of Mormon thought      Doctrine and Covenants Compendium Sidney Branton  
Sperry,1960 Discusses the LDS Church s Doctrine and Covenants specifically the historical circumstances out of which the  
revelations and other subject matter contained therein arose with a summary of the general contents and when necessary  
discusses any difficulties that arise in the text      **BYU Studies** Brigham Young University,2005 A voice for the community

of LDS scholars     *Mormon Neo-orthodoxy* O. Kendall White, 1987 This book describes a contemporary theological development in Mormonism which I have called Mormon neo orthodoxy and examines the cultural milieu out of which it emerged Affirming the fundamental doctrines of the sovereignty of God the depravity of human nature and salvation by grace Mormon neo orthodoxy may be closer to Protestant fundamentalism and neo orthodoxy than to what I and others esteem to be traditional Mormon thought Like these Protestant movements Mormon neo oethodoxy is a response to the experience of modernity the secularization of society and culture Thus Protestant neo orthodoxy and Mormon neo orthodoxy are crisis theologies Introduction     **AB Bookman's Weekly** ,1986     **Encyclopedia of Mormonism** Daniel H. Ludlow, 1992 The history scripture doctrine and procedure of the Church of Jesus Christ of Latter day Saints     **Elder Statesman** D. Michael Quinn, 2002 The young Reuben Clark struggled to gain an education in rural Granstville Utah Finally in 1890 at considerable inconvenience to his parents he attended college in Salt Lake City then Columbia University in Manhattan Later he would become Undersecretary of State Ambassador to Mexico and counselor to three Mormon prophets Quinn s revisitation of Clark s life might well be the last great biography of a twentieth century Mormon leader     **Religious Books, 1876-1982** ,1983     Early Christians in Disarray Noel B. Reynolds, 2005 This book takes a fresh look at the apostasy of the early Christian church Most Latter day Saint scholars and leaders previously based their understanding of the Christian apostasy on the findings of Protestant scholars who provided a seemingly endless array of evidences of apostasy in Christian history Since the classic treatments of this topic were written many newly discovered manuscripts written during the first Christian centuries have come to light giving a clearer picture of what the early Christian experience was like Drawing on this material LDS scholars today are able to shift the focus of study to the causes of the apostasy rather than the effects This volume of essays reports new research by several LDS scholars in different fields They identify common myths and misconceptions about the apostasy and promote better understanding of when and why the apostasy occurred     **Phaedrus** ,1980
