Brac Pack, Volume 7 [Heaven's Hell] Lynn Hagen, 2011-06-01 Heaven's Hell Siren Everlasting Classic ManLove Erotic Alternative Paranormal Romance M M werewolves Heaven dreamed of the day he would meet his mate and settle down. He had no idea that the bad luck he experienced his whole life was about to give its grand performance. How has the fairy tale romance he dreamed of turned from blissful wishing into the hell he would soon find himself in? Murdoch has always been the playboy of the estate. With an endless supply of willing males who need a mate. Then Heaven walks into the bathroom at the club and sees something Murdoch wishes he hadn't. Now Murdoch has two weeks to convince his mate that he didn't know Heaven existed and win his love or Maverick will execute him. Talk about pressure. Heaven struggles to get past the images burned into his memory and find forgiveness in his heart before he loses his mate forever. The only wrench in that plan is the humans who have discovered their existence and are now out for blood. Nicholas's Wolf Siren Everlasting Classic ManLove Erotic Alternative Paranormal Romance M M werewolves public exhibition sex toys Dr. Nicholas Sheehan lives under his father's thumb. Dr. William Sheehan even picked out a fiancée for him until he was called to the house of Maverick Brac. All his father's plans fell by the wayside when he finds he can't resist the man with the long scar running down his face. Jason Colt is a grey wolf living in a den of timber wolves. Alpha Zeus traded him off like yesterday's underwear without a thought. His body scarred and his soul broken, Jason thinks of himself as the ugly duckling amongst swans. Having been isolated his whole life, Jason struggles to understand humans, especially his mate. He can't fathom why such a gorgeous man doesn't want to leave his side, so Jason fights the pull and orders his mate away. Will Jason be able to get past his torturous self-doubt and be able to claim what fate deemed as his? Or will Nicholas be left without a mate to call his own? Note: Each book in Lynn Hagen's Brac Pack collection features a different romantic couple. Each title stands alone and can be read in any order. However, we recommend reading the series in sequential order.
