John Dewan

Morgan Ensberg Scouting Report:

2005 Rotisserie Baseball Scouting Report: for 4x4 NL Only Leagues Henry Lee, 2005 What differentiates this new series of books from the books and magazines people have used in the past is that each of the six books focuses on a different league 5x5 mixed AL only NL only 4x4 mixed AL only and NL only The projections and dollar values for players can vary up to 50% from league to league Drafting with the help of a magazine not tailored to your league specifications is a recipe for disaster yet millions of people do so every year With your Rotisserie Baseball Scouting Report in hand you can rest assured that your projections are accurate Each book also has special Quick Lists designed to help you find what you need in the limited time you have between picks Players are ranked by actual scoring category points so you can compare players intelligently and quickly Categories like ERA WHIP and BA are weighted for IP and AB vitally important but often overlooked Also included is a unique quantitative analysis of the best prospects for 2005
