Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal Modern Warships Kit Bonner,

Carolyn Bonner, 2007 *China and the Senkaku/Diaoyu Islands Dispute* Balazs Szanto, 2017-12-06 This book examines the Senkaku Diaoyu Islands dispute from a foreign policy perspective focusing on three key stakeholders China Japan and the United States The Senkaku Diaoyu Islands dispute is a prominent territorial dispute between China and Japan This book critically assesses that dispute in a pragmatic policy oriented manner The central question of the work focuses on the various military direct invasion coercion and non military bilateral negotiations binding and non binding third party options and delaying foreign policy avenues available to China to pursue its key interests over the disputed islands To compare and contrast these different options the book employs a qualitative rational choice framework This allows for a critical analysis on the merits and demerits of various options and to anticipate China's potential course of action based on the principle that China is expected to act in a rational manner This research offers two main contributions First it adopts a security focused approach to complement the economic focused works on the subject Second it critically examines the various foreign policy options as opposed to offering an avenue based on purely theoretical assumptions While the work concludes that a delaying status quo approach is rational for all parties involved it highlights alternative policy avenues that can build on the conclusion of the rational choice analysis Through this it seeks to address the possibility of escalation and de escalation on the East China Sea and highlights the critical role pro active foreign policy making plays in averting a negative outcome of

the dispute This book will be of much interest to students of Chinese Foreign Policy Asian Politics Security Studies and International Relations
