Alphonse Momas, Le Nismois

Le Secret De Miss Sticker:

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi **Lesbian Decadence** Nicole G. Albert,2016-02-23 In 1857 the French poet Charles Baudelaire who was fascinated by lesbianism created a scandal with *Les Fleurs du Mal* The Flowers of Evil This collection was originally entitled The Lesbians and described women as femmes damn es with disordered souls suffering in a hypocritical world Then twenty years later lesbians in Paris dared to flaunt themselves in that extraordinarily creative period at the turn of the 19th and 20th centuries which became known as the Belle poque Lesbian Decadence now available in English for the first time provides a new analysis and synthesis of the depiction of lesbianism as a social phenomenon and a symptom of social malaise as well as a fantasy in that most vibrant place and period in history In this newly translated work praised by leading critics as authoritative stunning and a marvel of elegance and erudition Nicole G Albert analyzes and synthesizes an engagingly rich sweep of historical representations of the lesbian mystique in art and literature Albert contrasts these visions to moralists abrupt condemnations of the lesbian vice as well as the newly emerging psychiatric establishment s medical fury and their obsession on cataloging and classifying symptoms of inversion or perversion in order to cure these unbalanced creatures of love Lesbian Decadence combines literary artistic and historical analysis of sources from the mainstream to the rare from scholarly studies to popular culture The English translation provides a core reference text for those interested in the Decadent movement in literary history in French history and social history It is well suited for courses in gender studies women s studies LGBT history and lesbianism in literature history and art *General Catalogue of Printed Books* British Museum. Department of Printed Books,1972 [The British Library General Catalogue of Printed Books to 1975](#) British Library,1986 **Mercure de France** Alfred Louis Edmond Vallette,1928 *Mercure de France* ,1928 [Mercure de France](#) Alfred Louis Edmond Vallette,1928 **Le Secret de Miss Sticker** Alphonse Momas,2019-04-10 EXTRAIT Reine se laissa tomber sur un si ge sis
