Romeo and Juliet William Shakespeare, 2011-01-01 Star crossed Romeo and Juliet are Shakespeare's most famous lovers A staple of high school reading lists the tragedy especially resonates with young adult readers who like Romeo and Juliet have experienced the exhilarating and perilous phenomenon of being in love Given the tragic ending of the play what does Shakespeare illustrate about his teen protagonists Are they the hapless victims of fate or are they responsible for the poor choices they make Is their love the real thing or is it self indulgent passion run amok These are some of the ever relevant questions discussed in this critical edition of *Romeo and Juliet*

Sense and Sensibility Jane Austen, 2015 What are two sisters of uncertain fortunes to do when the death of their father exiles their family to live in the countryside of southwestern England Why fall in love of course Through her deft unraveling of the dramatically different romantic fates of Elinor and Marianne Dashwood Jane Austen displays her singular mastery of the English language and her equally masterful invention of colorful and realistic characters The author's appreciation of what it is to be human grounded in her deeply convicted Christianity illuminates the tale with special wisdom In this her first published novel we see the sense and sensibility of Miss Austen herself which combine to form the brilliance that shines forth in all of her works a brilliance enlivened by her remarkable sense of humor and the affectionate kindness that could only be born of a gracious Christian spirit
