

# **NICK FISH SWEARING-IN**

**Presented by  
Governor Barbara Roberts  
June 13, 2008  
Portland, Oregon**

**I am so honored today to play a part in this special ceremony for my friend Nick Fish.**

**Nick and I volunteered together on several big events at Portland State University celebrating and recognizing what were labeled "Urban Pioneers". The longer I worked with Nick the more I understood, I was volunteering with such a leader every time I worked beside Nick.**

**So appropriately (it seems to me), our newly elected Portland City Council member has asked today that I share some brief remarks on the subject of leadership.**

**Over many years I've read the editorials, listened to the political speeches, and heard our citizens lament the lack of leadership in Oregon and in this metropolitan area. Yet, maybe some of our whining could stand the examination of just how we view leadership.**

**I've taught leadership to hundreds of state and local government officials during my ten years at Harvard's Kennedy school and the Hatfield School at PSU. I have certainly found that attempting to analyze and define leadership can prove to be an elusive process.**

**I have gradually "invented" my own short-hand definition based on 25 years in public service. It goes like this:**

**"Leadership means having the self-confidence to believe you can make a difference, the passion to believe it matters, and the courage to risk it all because you believe it matters."**

**Leaders should not be defined simply by their popularity but by their willingness to take risks, by their ability to share credit, the strength to admit errors, and their willingness to pick themselves up and keep leading and motivating, and partnering for the broader good.**

**Leadership is not about quick-fixes, cleaver slogans, about dividing citizens, or about polling numbers.**

**Sometimes leadership in public office means telling citizens what they need to know rather than what they want to hear. Sometimes you must stand alone. But to**

**Leadership** Michael Z. Hackman, Craig E. Johnson, 2013-04-03 Leadership is an integral component of the human experience and of practical importance to all For nearly 25 years the multiple editions of Hackman and Johnsons outstanding work have been the backbone of leadership courses at hundreds of colleges and universities The authors extend this tradition of excellence in the Sixth Edition which continues to serve as a valuable catalyst for generating new insights debating controversial issues and contributing to the ongoing dialogue on leading and following Hackman and Johnson illuminate our understanding of leadership by approaching it as a communication based activity They artfully balance research and theory with practical real world suggestions for improving communication competence and leadership effectiveness in small group organizational and public contexts The comprehensive Sixth Edition adds discussions of organizational politics project leadership executive level teams adaptive leadership intergroup leadership sensemaking and in extremis leadership Readers will also appreciate the expanded treatment of bad leadership emotional competencies followership styles charisma leader development crisis leadership and virtual team leadership Case studies cover such timely issues as the pink slime controversy the legacy of Steve Jobs banning super sized soft drinks the scandal at Penn State University and the Miracle on the Hudson Abundant examples case studies self assessments and research highlights enhance the presentation Moreover wide ranging application exercises offer multiple opportunities for readers to review and apply the skills covered in the chapters

*Leaders in the Middle East and North Africa* Özgür Özdamar, Sercan Canbolat, 2023-08-17 The study of politics in the MENA region has traditionally been dominated by historical and case study approaches In this innovative book Özgür Özdamar and Sercan Canbolat instead adopt a social science based methodology to reconsider the dynamics of power and leadership in Africa and the Middle East By analysing the psychological profiles of fourteen leaders across eight countries and three non state organizations they develop a nuanced portrait of modern leadership Using this approach the authors are able to draw connections between apparently disparate political ideologies from Sunni Islamism to Shia revolutionism from secular nationalism and armed non state groups Demonstrating the previously unacknowledged commonalities and divergences in these leaders approaches Özdamar and Canbolat illuminate their tactics and strategies and offer novel insights into how best to negotiate with them

**Extending the Charismatic, Ideological, and Pragmatic Approach to Leadership** Samuel T. Hunter, Jeffrey Lovelace, 2020-04-21 The past 15 years of leadership research have taught us a valuable lesson There is more than one way to be a successful leader The Charismatic Ideological and Pragmatic CIP approach to leadership showcases three unique yet equally viable pathways to leading and

influencing others This book reviews the history of the CIP model of leadership and summarizes the empirical findings supporting the framework Emerging areas of leadership research on the CIP model are explored including followership shared leadership measurement and gender Contributions from a range of international academics provide readers with insight into the foundation of the CIP theory of leadership and into where the future of leadership perspectives are headed It includes a chapter for practitioners seeking to understand the framework through an applied lens and offers evidence for a new scale designed to quantify a leader's CIP profile Finally a revised theoretical framework incorporating key findings to expand the model to meet the diverse needs of future researchers and leaders is offered This thought provoking volume will be essential reading for all scholars researchers and students interested in the charismatic ideological and pragmatic approach to leadership as well as professionals considering the introduction of a new leadership model
