**Joseph Smith, the Prophet** Truman Madsen, 2008-12-26 *Seminar on the Prophet Joseph Smith, February 17, 1962* Brigham Young University. Joseph Smith Seminar, 1962 **Joseph Smith** Edward Allebest, 2025-08-22 The Church of Jesus Christ of Latter day Saints has always had detractors trying to both discourage investigators from joining the church and encourage members to abandon the church Their primary tactics are to slander Joseph Smith his teachings and the church he claimed to have restored Without some fundamental knowledge about Joseph Smith and his legacy these anti LDS materials can create confusion doubt and a crisis of faith The first three essays of this collection explore Joseph Smith s character accomplishments and discipleship With that foundational information in place the reader is better prepared to examine the various controversies The fourth essay delves into the quagmire of criticisms that have enveloped Joseph Smith his doctrine and the LDS Church and suggests how to navigate the tactics used by antagonists **Church History Study Guide, Pt. 2** Randal S. Chase, 2012-03-01 Church History Study Guide Pt 2 1831 to 1844 This volume is the second of three on Church History and the Doctrine and Covenants It covers Church history during the Kirtland and Missouri periods including a series of breathtaking revelations on temples the Plan of Salvation the three kingdoms of glory the Second Coming principles of priesthood power the Word of Wisdom and the Law of the Church We also learn about fasting tithing missionary work and enduring to the end We go with the Prophet Joseph Smith and Saints through the crucible of trials in Missouri and Liberty Jail Then we follow them on to Nauvoo where the Kingdom rose again on the Mississippi River work for the dead was introduced and the law of celestial marriage was revealed Again persecution raised its ugly head ending in the martyrdom of Joseph and Hyrum Smith at Carthage In all it covers 11 years of Church History and covers sections 100 135 of the Doctrine and Covenants The cover features Brother Joseph a beautiful portrait of the Prophet Joseph Smith by David Lindsley **Repentance: Refinement through the Mortal Journey** Alan Ruppe, 2023-03-22 Repentance is one of the core tenets of the gospel but what does it truly mean Understanding the principle of repentance at a deeper level is often overshadowed by the simplistic reciting of the five step process of repentance 1 recognition 2 remorse 3 confession 4 restitution and 5 forgiveness But repenting is so much more than a checklist step in the process to get on the righteous path When confronted by a Primary child s innocent question about repentance author G Alan Ruppe realized that something was missing from his lifelong simplistic view of what it means to repent The intense research and spiritual revelation that stemmed from that awakening culminate in this insightful discussion about the nature of sincere divine repentance and forgiveness In Repentance Refining the Mortal Journey discover The historical definitions of biblical repentance and how translations over time have skewed our perception of this sacred practice The difference between sins and mortal mistakes when and why repentance is necessary and how repentance relates to our God given agency How to receive divine forgiveness and become once again clean and pure through the Atonement of Christ Real repentance the kind desired for us

by our Heavenly Parents is an emotionally and spiritually painful process but it is a course that will help develop our repentance from an abstract perception to a genuine way of life A deeper understanding of its purpose will reveal avenues to stronger faith richer experiences and more profound joy as we journey through this mortal life Interpreter: A Journal of Mormon Scripture, Volume 4 (2013) The Interpreter Foundation, 2013-05-29 This is volume 4 2013 of Interpreter A Journal of Mormon Scripture by The Interpreter Foundation It contains articles on a variety of topics including affinities between ancient sources and modern revelations on Enoch a book review of Exploring the First Vision a book review of Against Calvinism questions we should consider about Mormon Studies some thoughts on faith and doubt the Sod of God and the LDS temple notes on Book of Mormon names and an introduction to the subject of Josiah s Reform and Margaret Barker s temple theology with perspectives by William J Hamblin and Kevin Christensen **Believing History** Richard Lyman Bushman, 2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book s ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book s fascination with records translation and history Yet Believing History also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world Believing History offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman s arguments he provides us with a provocative and open look at a believing historian studying his own faith Inside the Mind of Joseph Smith Robert D.
