Memes Hilarious Memes To Laugh At Anytime English Edition:

The Selfish Meme Kate Distin, 2005 This book presents for the first time a fully developed and workable concept of cultural DNA

The Meme as the Message Joanna Nowotny, Julian Reidy, 2025-10-31 This book sheds light on the phenomenon of memes covering everything from pandemic humour to far right propaganda from feminist memes to algorithmic censorship Memes are far more than light entertainment they are complex cultural artefacts that play a role in politics in art and in platform economics Taking a cultural studies perspective the authors analyse individual memes in entertaining case studies systematising their findings in order to redefine this digital form of communication Chapters connect memes with other digital phenomena such as trolling and combine extensive close readings of exemplary individual memes with regards to form and aesthetics with an acute awareness of power dynamics and other context phenomena surrounding memes The book develops an innovative theoretical approach that presents the term memesis to capture the very specific quality of meme production and reception as a form of collective creative rewriting of a template in accordance with algorithmic logic Offering an important contribution not only to the still young field of meme studies but also to the general negotiations of questions around digital literacy this book will interest not only scholars and students of digital media visual communication cultural studies and media and politics but anyone with a keen interest in digital culture and how it shapes our lives

Shit Adults Never Taught Us Natasha Sattler, 2021-04-16 A SNAPSHOT REVIEW OF THE THINGS YOU DIDN T LEARN IN SCHOOL IN QUICK HILARIOUS CHAPTERS Wouldn t it be awesome if life had a manual Not for your daily how tos like cooking or ironing but for when the real shit pops up The money shit we have no idea how to navigate like negotiating a raise or buying a car The relationship shit that slaps us in the face as we turn into full fledged adults like surviving a gut wrenching breakup and having the courage to fall in love The mind fucks that sneak into our brains after puberty like a ninja and set up camps of anxiety loneliness and regret The life shit that somehow was completely ignored throughout more than a decade of schooling like protecting your privacy online traveling on any budget and finding motivation when it seems impossible We ve made it this far but after countless conversations with friends it became obvious to me that our childhood education had a ton of gaps Sure we learned linear equations and got to dissect frogs for some reason but no one taught us what the difference between an HMO and a PPO was and why it s important I took several years of Algebra but not once was a Mutual Funds class offered That s where *Sh t Adults Never Taught Us* comes in This book picks up where the adults left off and helps fill in all our insufficient knowledge by going beyond the Google search bar Disguised as a self help book this mini memoir uses personal experiences including some epic failures to guide you through the most perplexing moments in life *Shit Adults Never Taught Us* covers a lot of topics including career strategies mental health emotional quandaries and navigating all of the WTF moments of adulthood
