Jesus And Lucifer Who Are They:

Jesus and Lucifer Benny Anthony, 2014-11-20 This book details facts concerning Jesus Christ and Lucifer The Revelation of Lucifer Thomas Jones, 2013-07-02 I saw Jesus on the cross and all of heaven was motionless I could see legions of angels just waiting near the cross Then as I looked upon the cross I couldn't bear to look at what I was seeing for it was extremely sad The last time I saw Jesus it was a picture of absolute splendor majesty and glory when He came forth from His Father But now to look at Him was almost impossible for He looked nothing like He did earlier Just then my attention was taken back down into hell Every demon was in a state of frenzy and hysteria They were acting and behaving like wild beasts animals You could see some type of disgusting foam coming from their mouths It was repulsive They were all yelling Its over Its over You could see they were anticipating Jesus arrival Satan had this disturbed distorted indescribable look on his face as he had conquered all the universe He looked like he knew he was finally able to affect God and that he wouldn't be able to recover *Jesus the Truth Vs. Satan the Liar* Honolulu Cops for Christ, 2020-12-11 In the Gospels Jesus called Satan the Father of Lies From the beginning of Mankind until the present Satan has been lying to mankind in order to destroy us and keep us from eternal life with God Our first ancestors fell victim to a lie of Lucifer and because of their fall all humanity fell under the influence of the devil Jesus came to earth to break Satan's power over us Jesus referred to Himself as the Light of the World and as the Truth He wants to deliver humanity out of the spiritual darkness and deception in which Satan has mankind trapped A spiritual battle rages between Jesus and Satan for the souls of men The weapons of Satan are his numerous lies The weapon of Jesus is the truth of His Word He said that the truths He taught were a solid and unshakable foundation in a world of shifting and sinking sand In *Jesus the Truth vs Satan the Liar* this cop for Christ exposes many of the dark lies of Satan that are spread within America's higher education system They are exposed by the light of biblical truth giving students the knowledge they need to reject the lies and all who spread them 84 84 *The Emerald Modem* Richard Leviton, 2004-05-04 Twenty years ago in England author Richard Leviton discovered the planet Following quite specific guidance he began a long process that amounted to an apprenticeship My mentors dispatched me to various specific locations in the Somerset landscape and at all hours of the night and day I sat on hills and valleys and rocks under sunlight moonlight rain snow and fog and had visions I started to see another landscape behind the apparent landscape It was an apparitional landscape with stars planets galaxies angels spirits of Nature mythic deities divinity As time went on he found himself talking with angels visiting celestial cities and following gnomes He came to understand that at one level we are the planet and that both we and it have an intimate relationship with our galaxy I found myself living inside the myths of the world as if they were expert scripts for real life inner adventures I never once thought I was crazy Why should I Quite the opposite I believed I was finally getting grounded in something real But it would take me twenty years to make sense of it That sense is embodied in *The Emerald Modem* The Emerald Modem includes direct correspondences between human

chakras and the Earth's energy features and the galactic originalstables listing locations of sacred sites around the planet where you may experience this relationshipexplanations of world myths which provide clues to this unsuspected visionary world around us This is the first book to synthesize all the fragments of geomantic perception sacred sites energy points vertexes etc into a global interactive model that ties human consciousness directly to it Leviton describes 85 subtle features in the planetary landscape places you can go for mystical experiences They are features of the Earth's energy body almost all invisible to conventional sight But psychic cognition can be trained and you can usefully interact with any of these types of sites today without seeing what you're doing Your intent to interact for the benefit of yourself and the planet is all that's required Just as modems dial us into the Internet so the features of the Earth's energy body described in The Emerald Modem help us get online with the galaxy You can learn to visit Grail Castles experience a Mount Olympus or walk through the stars in a landscape zodiac and you can learn enough to become confident that you're not traveling alone **The**

Christian Satanic Book: An Introduction To Christian Satanism Lucifer Jeremy White,2022-01-23 This book is an introduction to the gray sided religion of Christian Satanism It is a compact book free and in the public domain It was designed to explain Christian Satanism to those who know nothing about it It is a small book so it can easily be reproduced and shared It goes beyond an introduction however in order to give a Christian Satanist a good start It is a religion of morality and spirituality and not one diabolical in some weird way It is more for the spiritual kind of Satanist than it is for the atheistic kind and yes there are some Satanists who are atheists but this book covers Satanism in a more traditional way It is Satanism refined with Christianity and the other way around While the world should have been asking where the gray side was a long time ago we are here *The Rocky Mountain Saints; a Full and Complete History of the Mormons* T B H
