## **Journal Of The International History Islamic Medicine:**

*CONTEXTUALISING ISLAM IN PSYCHOLOGICAL RESEARCH (IIUM PRESS)* Mariam Adawiyah Dzulkifli, Nor Diana Mohd Mahudin, 2021-03-10 This book is intended to present a compilation of research that has incorporated the Islamic philosophical theoretical and historical perspective with the concepts theories and methods in psychology While the relationship between Islam research and psychology has been studied previously the effort to incorporate integrate and use Islamic resources to examine phenomena related to psychology through rigorous scientific methods has been found to be lacking among Muslim researchers The present book therefore is an attempt to meet this need by incorporating the Islamic perspective in the conduct of research in psychology It is also an attempt to contextualize Islam in the current efforts in research on psychology so that we can better understand the religion both as an established way of life and as a model of scientific inquiry Finally the remaining chapters are dedicated to the discussion of the conceptual and strategic way forward for research in specific areas of psychology In doing so both the rationale and practicalities of incorporating integrating and utilizing Islamic resources in research on psychology have been provided

*Hospitalization, Diagnosis, Treatment, and Surgery in Iran* Ali Akbar Velayati, 2023-01-14 Hospitalization Diagnosis Treatment and Surgery The Lifecycle of Medical Sciences in Iran provides a complete understanding of the lifecycle of medicine in the underserved area of Iran Coverage will elucidate the importance of communication between scientists in different countries for the further development of research to advance hospitalization infrastructure diagnosis and treatment of diseases and surgery techniques and availability Using a systematic timeline approach coverage includes early medical sciences to present day of Iran Each chapter highlights important research techniques and procedures throughout the lifecycle of medical sciences and includes topics from bloodletting and setting bones to anesthesia and vaccines The content in each chapter emphasizes standard protocols based on international recognition to help developing countries adopt newer technologies Covers the lifecycle of medical sciences in Iran for a comprehensive introduction to the developments in hospitalization diagnosis and treatment of diseases and surgery Shows ways that modern technology can be utilized in underserved areas of the world Provides the unique perspective and insight into the diagnosis and treatment of infectious diseases like M tuberculosis from a country that has seen the progression of the disease and its available treatments over many years

**Islamophobia** Stephen Sheehi, 2010-12-03 Islamophobia The Ideological Campaign Against Muslims examines the rise of anti Muslim and anti Arab sentiments in the West following the end of the Cold War through GW Bush s War on Terror to the Age of Obama Using Operation Desert Storm as a watershed moment Stephen Sheehi examines the increased mainstreaming of Muslim bating rhetoric and explicitly racist legislation police surveillance witch trials and discriminatory policies towards Muslims in North America and abroad The book focuses on the various genres and modalities

of Islamophobia from the works of rogue academics to the commentary by mainstream journalists to campaigns by political hacks and special interest groups Some featured Islamophobes are Bernard Lewis Fareed Zakaria Thomas Friedman David Horowitz Ayaan Hirsi Ali Irshad Manji George W Bush Dick Cheney John McCain Hilary Clinton and Barack Obama Their theories and opinions operate on an assumption that Muslims particularly Arab Muslims suffer from particular cultural lacuna that prevent their cultures from progress democracy and human rights While the assertion originated in the colonial era Sheehi demonstrates that it was refurbished as a viable explanation for Muslim resistance to economic and cultural globalization during the Clinton era Moreover the theory was honed into the empirical basis for an interventionist foreign policy and propaganda campaign during the Bush regime and continues to underlie Barack Obama s new internationalism If the assertions of media pundits and rogue academics became the basis for White House foreign policy Sheehi also demonstrates how they were translated into a sustained domestic policy of racial profiling and Muslim baiting by agencies from Homeland Security to the Department of Justice Furthermore Sheehi examines the collusion between non governmental agencies activist groups and lobbies and local state and federal agencies to in suppressing political speech on US campuses critical of racial profiling US foreign policy in the Middle East and Israel While much of the direct violence against Muslims on American streets shops and campuses has subsided Islamophobia runs throughout the Obama administration Sheehi therefore concludes that Muslim and Arab hating emanate from all corners of the American political and cultural spectrum serving poignant ideological functions

Islamic Psychology G. Hussein Rassool, 2021-03-30 Islamic Psychology or ilm an nafs science of the soul is an important introductory textbook drawing on the latest evidence in the sub disciplines of psychology to provide a balanced and comprehensive view of human nature behaviour and experience Its foundation to develop theories about human nature is based upon the writings of the Qur an Sunna Muslim scholars and contemporary research findings Synthesising contemporary empirical psychology and Islamic psychology this book is holistic in both nature and process and includes the physical psychological social and spiritual dimensions of human behaviour and experience Through a broad and comprehensive scope the book addresses three main areas Context perspectives and the clinical applications of applied psychology from an Islamic approach This book is a core text on Islamic psychology for undergraduate and postgraduate students and those undertaking continuing professional development in Islamic psychology psychotherapy and counselling Beyond this it is also a good supporting resource for teachers and lecturers in this field
