Manual What Women Want Anton Brief Summary:

Summary of W. Anton's The Manual Everest Media,2022-06-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Attraction is one of the primal emotions that has helped humanity survive and reproduce It is triggered in our bodies in the same way as other primal emotions such as hunger fatigue and fear We feel it in specific circumstances and we are powerless to convince ourselves not to feel it 2 The two major forces that shape males and females differently are nature and nurture Nature is the obvious biological difference between the sexes and nurture is the more elusive difference in socialization that starts to affect us from the moment we leave the womb 3 The words beautiful and attractive can only be used as synonyms when discussing the physical traits that show suitability for motherhood They are not universal synonyms and cannot be used interchangeably when discussing the attractiveness of males 4 The way attraction works is different between males and females Males are attracted to traits in females that females do not care about and females are attracted to traits in males that males don't care about

The Cambridge History of German Literature Helen Watanabe-O'Kelly,2000-06-12 This is the first book to describe German literary history up to the unification of Germany in 1990 It takes a fresh look at the main authors and movements and also asks what Germans in a given period were actually reading and writing what they would have seen at the local theatre or found in the local lending library it includes for example discussions of literature in Latin as well as in German eighteenth century letters and popular novels Nazi literature and radio plays and modern Swiss and Austrian literature A new prominence is given to writing by women Contributors all leading scholars in their field have re examined standard judgements in writing a history for our own times The book is designed for the general reader as well as the advanced student titles and quotations are translated and there is a comprehensive bibliography
