PAPER 2

QUESTION 6: BUSINESS ROLES (SOCIAL RESPONSIBILITY, CSR AND CSI)

Businesses are expected to develop corporate social responsibility (CSR) programmes and corporate social investment (CSI) projects to address some socio-economic issues such as HIV/AIDS and unemployment. They are also required to contribute time and effort into improving the well-being of their employees.

Write an essay on CSR and CSI in which you include the following aspects:

4m = 2 marks

- Outline the differences between CSR and CSI.
- Discuss the impact of CSI on businesses.
- Explain ways in which businesses could deal with HIV/AIDS and unemployment as socio-economic issues.
- Recommend ways in which businesses could contribute time and effort into improving the well-being of employees.

Memo Of Business Studies September 2014:

Dawn of the Code War John P. Carlin, Garrett M. Graff, 2018-10-16 The inside story of how America's enemies launched a cyber war against us and how we've learned to fight back With each passing year the internet linked attacks on America's interests have grown in both frequency and severity Overmatched by our military countries like North Korea China Iran and Russia have found us vulnerable in cyberspace The Code War is upon us In this dramatic book former Assistant Attorney General John P Carlin takes readers to the front lines of a global but little understood fight as the Justice Department and the FBI chases down hackers online terrorist recruiters and spies Today as our entire economy goes digital from banking to manufacturing to transportation the potential targets for our enemies multiply This firsthand account is both a remarkable untold story and a warning of dangers yet to come

Retirement in Japan and South Korea Masa Higo, Thomas R. Klassen, 2015-04-10 This book analyses reforms to retirement policies in Japan and South Korea especially in the context of rapid population ageing A defining feature of the labour markets and workplaces in these two nations and the lives of workers and families is involuntary retirement at relatively young ages The book explains past developments and recent reforms of retirement policies both in the two countries as well as in a cross national comparative manner At the core of the book is an examination of the social economic and political conflicts around retirement such as between younger and older workers between employers and governments and between employers and workers The policy recommendations offered apply not only to Japan and South Korea but also to other nations such as China The volume is of value particularly for those interested in labour markets and workplaces population ageing and contemporary East Asia in addition to those studying retirement and pensions Policymakers business leaders worker organizations researchers and students will benefit from the insights about the past present and future of retirement
