key aspects of the Government's social economic and environmental policy. Large sums of public money are devoted to the programmes designed to deliver them. This NAO report contains the detailed results of its examination of the data systems used by six government departments to monitor and report progress against their 2005-08 PSA targets covering a total of 65 data systems. The six Departments are the Cabinet Office, the Department for Culture, Media and Sport, the Department for Education and Skills, the Department for the Environment, Food and Rural Affairs, the Ministry of Defence and HM Treasury. Findings include that 75 per cent of the data systems used are broadly appropriate but less than half of these were fully fit for purpose. Most required some action to strengthen measurement or reporting arrangements. A companion volume HCP 127 I session 2006-07 ISBN 0102944040 is available separately which contains the NAO's summarised findings.

Supporting Educational Transitions for Ages 3-19 Elizabeth Gregory, Liz Stevenson, 2025-12-11. This book offers research based evidence and advice on supporting educational transitions across all educational stages from ages 3-19. It introduces the key issues and debates, processes, assessments, cultures and curricula from pre-school to tertiary education. The book is divided into two parts with part one covering the curriculum as a means of exploring academic aspects of transition and part two taking a holistic approach considering the social and environmental elements of transition including factors such as disadvantage and parental and community support. Each chapter includes case studies and practical tips and advice that educators can implement in their own practice as well as suggestions for further reading. The topics covered include the role of SENDCOs, behaviour, diversity and equality and emotional well-being. The book includes an introduction from the author and researcher Emma Turner, Discovery Trust UK.
