Prayer Richard J. Foster,1992-08-14 Best selling author Richard J Foster offers a warm compelling and sensitive primer on prayer helping us to understand experience and practice it in its many forms from the simple prayer of beginning again to unceasing prayer He clarifies the prayer process answers common misconceptions and shows the way into prayers of contemplation healing blessing forgiveness and rest Coming to prayer is like coming home Foster says Nothing feels more right more like what we are created to be and to do Yet at the same time we are confronted with great mysteries Who hasn't struggled with the puzzle of unanswered prayer Who hasn't wondered how a finite person can commune with the infinite Creator of the universe Who hasn't questioned whether prayer isn't merely psychological manipulation after all We do our best of course to answer these knotty questions but when all is said and done there is a sense in which these mysteries remain unanswered and unanswerable At such times we must learn to become comfortable with the mystery Foster shows how prayer can move us inward into personal transformation upward toward intimacy with God and outward to minister to others He leads us beyond questions to a deeper understanding and practice of prayer bringing us closer to God to ourselves and to our community **Report** New York (State) Chamber of Commerce of State of New York,1886 The Return of the Angels George Herbert Morrison,1909 **Granville.
