Digital Talking Books Plus, 2009 The Corpse Had a Familiar Face Edna Buchanan, 2009-07-14 This classic by the Pulitzer Prize winning author is her nonfiction masterpiece a tale of life and death on Miami's streets which she covered for 18 years for The Miami Herald Reissue Legally Dead Edna Buchanan, 2008-08-12 U S Marshal Michael Venturi of the Witness Protection Program relocates a mobster now a government witness to a small rural town after creating a new identity for him The man proves to be a monster unleashed on an unsuspecting community The results are tragic To make amends Venturi leaves the Marshals Service and assembles a team of close confidants to secretly create new identities for innocent men and women whose lives have been ruined through no fault of their own people who really deserve fresh starts in new lives But before they are relocated and reborn each must change a lifetime of habits and actually become someone else with new traits tastes and personalities And before being declared legally dead they have to die The result is a combination of Extreme Makeover Mission Impossible and CSI the last in reverse In these deaths some of them spectacular

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 The New York Times Book Review ,1994-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *VideoHound's Golden Movie Retriever* Jim Craddock,2004 Reviews movies that are available on DVD or tape Each entry includes title alternate title one to four bone rating year released MPAA rating brief review length format country of origin cast technical personnel awards and made for television cable video designations **Love Kills**
