Craig,2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been over shadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period DK Eyewitness Kenya Travel Guide DK Travel,2015-10-06 DK Eyewitness Travel Guide Kenya is your in depth guide to the very best of Kenya Whether you want to go on a safari adventure and come within feet of this country s spectacular wildlife in its world famous national parks lounge on superb beaches or experience the lively nightlife and cultural attractions of Nairobi visiting Kenya is a richly rewarding escape Discover DK Eyewitness Travel Guide Kenya Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat
