

The Word Means...

Alec is showing off yet again. I am so fed up of listening to him endlessly going on about his brand new bike. All of the other kids are so amazed by him. It's so annoying! I like hearing about new toys and hobbies but it's almost every day with Alec. He always has something to boast about. I'm starting to dislike him.

It's funny because he's always telling us about how much money his family has got, but we never see any of these amazing new toys and gadgets. He's so selfish that he doesn't show anyone and let them try them out yet they all love him! They treat him like he's the coolest kid in school. He's finally stopped boasting and is leaving with his sister. It looks like everyone is going home. Alec lives just around the corner from me so I might go and have a peek at this bike for myself...

Well now I feel terrible. When I got to Alec's street, he had his arms around his sister. She was crying and I think he was a bit too. She's been getting bullied by some of the girls in her class because their mum is penniless! I was so shocked! I had no idea! I heard Alec tell her to do what he does. Pretend they have lots of money so that everyone likes them and doesn't pick on them. All this time I've thought Alec was a show-off but he's totally harmless. Their mum opened the door and it looked like she was filled with sadness. They all went inside. I feel like the worst person in the whole world.
