Love Your Concierge English Edition:

Love, Your Concierge Jessica Ingro, Kathy Krick, 2014-02-19 Organization that's what I do Control it's my middle name Hello I'm Elizabeth your personal concierge My job is to play fairy godmother to the rich and famous The universal rulebook may say to never mix business with pleasure but its author never worked for Grant Morgan my sexy and brooding client As a top attorney in Manhattan Grant is used to calling the shots and dominating everything he touches He also changes girlfriends as often as I pick up his dry cleaning A part of me still wishes I could let him command my body and take me in ways I've never imagined though One moment of weakness is all it takes to change everything forever Addicted I can't get enough of him Consumed He's all I think and dream about The book has officially been thrown out the window I'm in love and completely terrified With lines blurred I find myself lying cheating and stealing to protect myself from being hurt But my choices affect more than just me and now I'm not so sure what I'm trying to protect myself from Will love be enough to erase all I've done Or have I made the biggest mistake of all
