McClennen, 2011-11-30 Is the comedy of Stephen Colbert simply fun or is it powerful political satire Does it entertain viewers or does it empower them Or does it teach us that in today's media saturated world those binaries make no sense Colbert's America claims that Colbert's satire fosters critical thinking about social issues encourages active citizenship and entertains the viewer all at the same time The first book to cover the various themes and features of Colbert's America offers readers insight into the powerful ways that Colbert's comedy challenges the cult of ignorance that has threatened meaningful public debate and social dialogue since 9 11
