H. Lawrence, 1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and incomprehension that met most of his fiction *Women in Love* examines the regenerative and destructive aspects of human passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in *The Rainbow* and their relationships with Gerald Crich and Rupert Birkin Set against the backdrop of a world consuming itself in war the novel creates an instructive vision of humanity s dance with life and death This text is the famous first *Women in Love* the unexpurgated version preferred by Lawrence himself which was rejected by every publisher because of the banning of *The Rainbow* in 1915 More positive in tone than the revised version published in his lifetime with different central relationships and a radically different ending it is now viewed by many as Lawrence s masterpiece BOOK JACKET      **Advancing Encouragement - His Word Is Power** James Jr. Hairston, 2012-11-17 Gods word is powerful and has a mighty change in the lives of His people I believe we are predestined for a purpose and plan in Gods Kingdom as children of God Advancing Encouragement is for that purpose to help Gods people to experience Gods word in a mighty way that will be manifested completely in their lives for the plans and purposes God has in store for them I hope that this book have helped you find your favorite message so that you will be able to use it as often as you need it for encouragement by the topic you are experiencing in your life at that particular time and place      **The Works of the British Dramatists ...
