## **Abstract**

Global ecological imbalance and global warming (also global cooling) have called upon environmentalists, scientists, social organizations, and alert common men to initiate the concrete efforts to stop further deterioration of ecological environment. The World Bank, the SAARC, the UNO, the WHO, and other globally influential organizations have started their efforts to promote and practice green marketing. The world environment summit at Copenhagen (2009) is the mega event that shows the seriousness of ecological imbalance.

To increase awareness, 5<sup>th</sup> June is declared as the World Environment Day. Green marketing emphases on protection of long-term welfare of consumers and society by production and use of pure, useful, and high quality products without any adverse effect on the environment. Mass media have started their campaign for protecting the earth from further deterioration. Worldwide efforts are made to conserve natural water resources.

## **Keywords**

Green Marketing, Global Warming, Ecological Environment etc.

## **Introduction**

The Term of green marketing concerns with protection of ecological environment. Modern marketing has created a lot of problems. Growth in marketing activities resulted into rapid economic growth, mass production with the use of advanced technology, comfortable and luxurious life, style, severe competition, use of unhealthy marketing tactics and techniques to attract customers, exaggeration in advertising, liberalization and globalization, creation of multinational companies, retailing and distribution by giant MNCs, etc., created many problems. Departmental stores, specialty stores, and shopping malls are flooded with useful as well as useless products. These all factors have threatened welfare of people and ecological balance as well. Particularly, giant factories have become the source of different pollutions. Production, consumption and disposal of many products affect environment adversely.

Excessive pollution has provoked the Nature and the Nature starts behaving in unnatural ways (in form of global warming v/s global cooling, heavy rains v/s draught, and other natural calamities like frequent earthquakes and tsunami, cyclones, epidemics, and so forth). Economic growth via production and consumption threatens peaceful life of human being on the earth. Green marketing is an attempt to protect consumer welfare and environment (the nature) through production, consumption, and disposal of eco-friendly products.

## **Objectives**

1. How to be helpful for environmental improvement?
2. How to be helpful Green Growth?
3. Discuss with its Products and Services
4. How to be beneficiary for Global Environment?
