 current independent private music educators will find this book an invaluable resources for establishing and maintaining a
 private music studio Private music instructors will learn what they should expect professionally personally and financially
 from their independent music instruction business Until now no single resource has existed that fully explains how to run this
 type of business successfully This book presents all aspects of private music instruction through an easy to read concise and
 engaging instructional format Following the sound advice presented will help to greatly alleviate the problems that all
 beginning independent instructors face by specifically mapping out chronological steps for establishing and maintaining a
 private instruction music business The field of private music education has been inundated by less than professional
 individuals who have made it difficult for legitimate qualified instructors The Private Music Instruction Manual shares years
 of information and experiences in the hope of legitimizing the field of private music instruction In a world where there is
 decreasing priority and structure in public music education private music instructors become increasingly important to
 prepare the next generation of musicians No matter the size of your private music instruction business the advice presented
 in The Private Music Instruction Manual will help to improve any private music business From the Midwest Book Review
