Often the focus is on their child's disabilities rather than his abilities and parents may be left wondering what they should expect as their child journeys through life. This guide helps you take the first steps toward understanding how this developmental disorder may impact your child. This uncomplicated handbook introduces you to Asperger's and helps you to get a diagnosis and understand the results. Identify triggers that can lead to sensory overload. Recognize symptoms of meltdowns and work to prevent them. Educate family and friends about Asperger's. Discover support groups for themselves and their child. Now revised and updated, this new edition includes information on educational concerns and social interactions. This is the only resource you need to help your child overcome the obstacles of Asperger's and find success and happiness.

**The Everything Parent's Guide to Children with Anxiety** Ilyne Sandas, Christine Siegel, 2008-08-17. Racing heart. Nausea. Trembling. These are just the physical symptoms of anxiety. Add to that panic, paralyzing fear, and self-doubt, and a child is consumed with worry. With the proper care and treatment, a child with anxiety disorders can thrive. This book presents a balanced approach to treatment from traditional to non-traditional drug and behavioral therapies to relaxation tricks and meditation. Additionally, this helpful guide helps parents determine the causes of their child's anxiety, decide whether medical treatment is necessary, talk with their children about anxiety, find the right counselor, and consult with teachers and school officials. With this guide, parents will have all the resources, tools, and information they need to help their child enjoy a happy, healthy, and well-adjusted childhood.
