Play Structure Tracy Lybbert, 2019-06-14 The first year I taught Middle School Theatre, an advanced student asked if they always had to do funny. She was tired of the basic sketches students created in game and improvisations. This unit provides options for how a scene can be developed. The second year I ran the comedy club, I realized that audiences were uncertain when a sketch was complete. I revised this unit using the framing format of the Raise Up Texas Program, supporting students in creating coherent work. In this unit, students will create coherent improvisations, perform a coherent scene, compare and contrast life situations with dramatic situations, using the magic if, evaluate student work. **Classroom Connect**, 1997
