They saved the day I'm just the girl that switched sides at the last possible second I had my reasons for why I betrayed them and under the same circumstances I'd probably do it all again I'm not proud of that The reality is that I should be rotting in a Supermax prison right now as a terrorist but my best friend Joseph stepped in and convinced everyone that I was some sort of double agent He's the big scary looking muscled up guy with the cute butt that you want to just grab with both hands and squeeze for all your worth That booty of his tempts me almost as much as leftover cheesecake but unfortunately for me his booty already belongs to Penny She's that gorgeous redheaded vampire that you might have seen doing commercials for energy drinks and that new line of lingerie When she's not making commercials marketing Midnight Squad clothing drinks ice cream and even condoms She's either playing World of Warcraft or doing sexy things to Joseph that we probably shouldn't discuss here in this introduction We weren't always famous The world didn't even know about vampires werewolves witches and ghosts until my friends showed up and saved the day from an evil jinn's attempt at taking over the United States After my friends saved the day the world learned about Joseph Grim Reaper the newest member of the four horsemen of the apocalypse He's actually become The Death He's got a horse and everything He even lets us ride it Then there's Penny his beautiful vampire girlfriend Danika the lesbian werewolf dating Joseph's sister Niki Janine the very flirtatious ghost of a nun Finally there's Katy She's this super powerful gothic witch Together we used our newfound fame to form Midnight Squad Joseph and the girls do all the commercials and meanwhile in my free time I get to do research and development projects for anything that suits my fancy Money fame and great friends Now if I could just get a date everything would be practically perfect Of course there is a reason why no one knew about vampires werewolves and all the stuff that goes bump in the night That reason is an organization that calls itself The Darkness They want to keep the world ignorant of things like my friends and they'll do whatever it takes When The Darkness comes after you they don't leave survivors they leave examples This is a full length novel It is an erotically charged comedic urban fantasy Grab yourself a copy and hop on for the ride
