Marissa Mayer And The Fight To Save Yahoo:

Marissa Mayer and the Fight to Save Yahoo! Nicholas Carlson, 2015-01-06 A corporate thriller that does a superb job of bringing to life the dramatic story of Yahoo Financial Times When Yahoo hired star Google executive Marissa Mayer to be its CEO in 2012 employees rejoiced But one year later Mayer sat in front of those same employees in a huge cafeteria on Yahoo's campus and took the beating of her life Her hair wet and her tone defensive Mayer read and answered a series of employee posed questions challenging the basic elements of her plan There was anger in the room and behind it a question Was Mayer actually going to be able to do this thing Marissa Mayer and the Fight to Save Yahoo is the inside story of how Yahoo got into such awful shape in the first place Mayer's controversial rise at Google and her desperate fight to save an Internet icon In August 2011 hedge fund billionaire Daniel Loeb took a long look at Yahoo and decided to go to war with its management and board of directors Loeb then bought a 5% stake and began a shareholder activist campaign that would cost the jobs of three CEOs before he finally settled on Google's golden girl Mayer to unlock the value lurking in the company As Mayer began to remake Yahoo from a content company to a tech company an internal civil war erupted In author Nicholas Carlson's capable hands this riveting book captures Mayer's rise and Yahoo's missteps as a dramatic illustration of what it takes to grab the brass ring in Silicon Valley And it reveals whether it is possible for a big lumbering tech company to stay relevant in today's rapidly changing business landscape

Marissa Mayer and the Fight to Save Yahoo! Nicholas Carlson, 2015 A page turning warts and all narrative about Marissa Mayer's efforts to remake Yahoo as well as her own rise from Stanford University undergrad to CEO of a 30 billion corporation by the age of 38 *3 Minute Summary of Marissa Mayer and the Fight to Save Yahoo! by Nicholas Carlson* thimblesofplenty, thimblesofplenty is a group of friends who also happen to be business people and avid readers We wanted to keep up with the latest business books but found that time was a factor So we divided out the work and each of us took a book and summarised it for the others We thought it might be a great idea to share these summaries with you For a small price and a 3 minute time investment our summary gives you some of the wisdom from the book some food for thought and hopefully the impetus to make some time to read the whole book

The Social Media Revolution Jarice Hanson, 2016-05-23 Social media shapes the ways in which we communicate think about friends and hear about news and current events It also affects how users think of themselves their communities and their place in the world This book examines the tremendous impact of social media on daily life When the Internet became mainstream in the early 2000s everything changed Now that social media is fully entrenched in daily life contemporary society has shifted again in how we communicate behave as consumers seek out and enjoy entertainment and express ourselves Every one of the new applications of social media presents us with a new way of thinking about the economy that supports technological development and communication content and offers new models that challenge us to think about the economic impact of communication in the 21st century The Social Media Revolution examines the tremendous influence of

social media on how we make meaning of our place in the world The book emphasizes the economic impacts of how we use the Internet and World Wide Web to exchange information enabling readers to see how social media has taken root and challenged previous media industries laws policies and social practices Each entry in this useful reference serves to document the history impact and criticism of every subject and shows how social media has become a primary tool of the 21st century world one that not only contributes to our everyday life and social practices but also affects the future of business The coverage of topics is extremely broad ranging from economic models and concepts relevant to social media such as e commerce crowdfunding the use of cyber currency and the impact of freeware to key technologies and devices like Android and Apple iOS apps the cloud streaming and smartphones and tablets to major entrepreneurs inventors and subjects of social media such as Julian Assange Bill Gates Steve Jobs Marissa Mayer Edward Snowden Steve Wozniak and Mark Zuckerberg
