The book makes me itch to go back to my secondary classroom to see how I could use contemporary technologies as vehicles for differentiation. Carol Ann Tomlinson As a secondary teacher *Adolescent Literacy and Differentiated Instruction* shows you how to effectively respond to the growing crisis in adolescent literacy. In *Adolescent Literacy and Differentiated Instruction* Barbara King Shaver and Alyce Hunter summon the latest research and share effective essential differentiation practices. With more than 30 replicable models and practical ideas for managing differentiated classrooms King Shaver and Hunter help you assess students' individual needs, interests, and learning styles, turn assessment into doable plans for targeted instruction, implement dynamic differentiation strategies such as stations, flexible grouping, choice, and anchor activities.
